DISCLAIMER (MEC ANNUAL REPORT 2020-21)

Every effort has been made to cross-check and verify the authenticity of the data. All data and statistics used are correct as of FY 2020-21. Status of Monitored Schemes has been updated for the corresponding financial year and maybe subject to change after the defined period.

Please note that the level of analysis for this report is centered on units. In other words, development schemes that are implemented in different geographical locations are counted as separate units while monitoring. Hence, the term 'scheme' is used synonymously as units even where one scheme has multiple units. Monitoring reports that were published have been included in the corresponding financial year. There might be some monitoring reports that were visited in prior years, but have been included in the subsequent financial year(s) as per the date of being published.

This report does not contain references to third parties, neither does the report endorse any such third parties or their product/services nor is the report sponsored, endorsed or associated with such third parties.

For any queries or feedback regarding this report, please contact MEC official Platform:

FOREWORD

As the custodian of Government of Sindh's Annual Development Plan (ADP) portfolio, it is absolutely imperative for the Planning & Development Department to employ rigorous monitoring & evaluation mechanisms to oversee the progress of ongoing development schemes. Monitoring & Evaluation Cell was formulated to ensure that the financial and physical progress of ongoing development schemes is satisfactory and to adopt timely course-correction methods for schemes that are unsatisfactory.

It is encouraging to see that the Monitoring & Evaluation Cell is evolving as an independent and robust monitoring body to ensure that public sector development investments in the province are efficaciously utilized. MEC's primary responsibility is to pro-actively monitor the development portfolio with real-time reporting on key performance indicators of the schemes for timely rectification measures and course-correction.

This report provides a compendium of consolidated information of the overall monitoring activities undertaken by MEC during 2020-21 which are illustrative of the sheer commitment of P&DD to ensure that the development funds are effectively and efficiently utilized to quantifiably improve the lives of people of the province. MEC Officials possess adequate technical expertise that is required for a dynamic assessment and analysis of financial and physical progress of a diverse portfolio of projects.

I congratulate MEC for their laudable monitoring work and commendable initiatives to continually add robustness to their systems. It is my hope that this vital organization continues on the path of incremental progress by harnessing modern monitoring & evaluation mechanisms and leveraging technological solutions. Ultimately, I would like to see MEC as a pro-active organization that contributes significantly to improvement in public service delivery vis-à-vis vigorous monitoring & evaluation across all development schemes undertaken by the Government of Sindh.

SYED HASSAN NAQVI

Chairman P&D Board
Planning & Development
Department
Government of Sindh

PREFACE

Over the years, Monitoring & Evaluation Cell has endeavored to transform into a dynamic organization with robust monitoring & evaluation systems to provide oversight to the ongoing development schemes. During the last financial year (i.e. 2020-21), we have endeavored to amplify the effectiveness of our monitoring initiatives in order to achieve the desired outcomes in terms of effective utilization of public sector investments translating into improved service delivery.

This report documents the consolidated efforts and accomplishments of the M&E Cell in terms of pro-active monitoring & evaluation of a significant portion of development portfolio of Sindh, including the ongoing schemes in remote and far-flung areas. With renewed commitment to continued excellence, I am distinctly pleased to present the consolidated report of achievements and accomplishments of MEC in the last year.

With smartphone-based real-time reporting, end-to-end process automation and a centralized progress monitoring dashboard, MEC has strengthened its M&E system by harnessing technological solutions. Fully-functional and active regional offices at Karachi, Hyderabad, Sukkur and Larkana have the capacity and expertise to monitor the progress of a considerable number of provincial ADP schemes. With a recently established oversight committee, an additional check has been added to the organization to function as a robust internal quality filter. MEC is also working towards end-to-end digitalization of the entire planning process with an integrated platform to create an eco-system for evidence-based decision making.

I would like to acknowledge all the regional field monitoring offices of MEC, MIS Directorate and other associated officers for their invigorated efforts to achieve the intended objectives of the organization. Last but not the least; I would like to extend my sincere gratitude to the Research & Training Wing for their invaluable contribution in preparing and refining this report. This publication is a compendium of meaningful insights, observations and analysis vis-à-vis a significant portfolio of the Sindh Annual Development Plan.

EXECUTIVE SUMMARY

This report presents the consolidated overview and analysis of the operations and achievements of Monitoring & Evaluation Cell (MEC), Planning & Development Department (Government of Sindh) during fiscal year 2020-21. The overarching focus of this report is to collate and communicate the field monitoring observations of the ongoing development schemes undertaken by MEC. The observations and analysis of field monitoring visits are recorded and communicated electronically from our indigenously-built decision support software FILMS (Files Management System). The monitoring & evaluation results are juxtaposed with the financial data of the Finance Department. MEC has evolved over time to develop robust Monitoring & Evaluation systems to ensure quality management, to keep a watch on the progress of development schemes and to proactively alert where interventions are required by the decision taking authorities. The benefits of rigorous monitoring are not restricted to the government as the ultimate beneficiaries of improved public sector service delivery are target communities. MEC team has worked diligently over time to ensure a dynamic feedback loop with the Administrative Departments to help rectify problems identified during monitoring for improved effectiveness & efficiency in their respective development works. Ultimately, course-correction measures would help amplify the positive impact of the development schemes and projects.

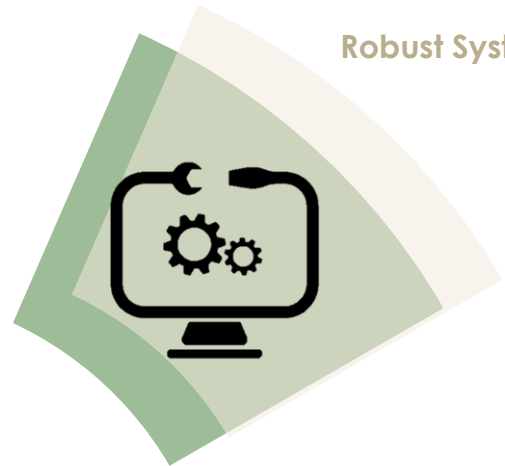

MEC is pro-actively utilizing the ADP Progress Monitoring Dashboard, established with the World Bank support, to closely monitor the progress of all the development schemes and to digitize the PC-I archives of major schemes for electronic record. Similarly, an Oversight Committee was also constituted by DG-MEC to ensure an additional internal monitoring layer for quality control. MEC is also working with USAID's Pakistan Capacity Development Service (PCDS) team for digitalization of P&DD for end-to-end automation of planning processes. For FY 2020-21, the Provincial ADP comprised of 2,246 schemes (2069 ongoing and 177 new), with an allocation of Rs. 155 billion. Releases of Rs. 98.43 billion were made with a utilization of Rs. 84.66 billion (86% of releases; 54.6% of allocation). The percentage of satisfactory schemes was 70.2% and for unsatisfactory schemes was 29.8% in FY 2020-21. The response rate for compliance from the line departments for unsatisfactory reports was 52%.

OVERVIEW

ORGANIZATIONAL

Improve Public Sector Development Service Delivery Outcomes for Amplified Societal Impact

Ensuring rigorous monitoring and evaluation of public sector development schemes for improved service delivery with the following objectives

- *To ensure that the Standard of Quality is maintained in development projects*
- *To keep a regular watch on the progress of schemes*
- *To enable timely & informed decisions through efficient reporting*
- *To promote and enhance institutional learning and knowledge through instant availability of chronological indicators*
- *To coordinate with various authorities for smooth and unhindered implementation*
- *To Review and Evaluate the output & outcome of schemes.*

FUNCTIONS

ADP PROGRESS DASHBOARD [WORKFLOW]

MEC has several quality filters to ensure that the automated and paperless monitoring system is transparent. File Management System (FiMS) is an indigenously-built bespoke system that ensures efficient monitoring, reporting and evaluation of development schemes.

Monitoring & Evaluation Officer (MEO) submits the report after the monitoring visit to the Regional Monitoring & Evaluation Officer (RMEO) who ensures that all the technical requirements pertaining to the monitoring visit are met. RMEO intimates the relevant Sector Monitoring & Evaluation Officer (SMEO) for validation of report for the requisite compliance standards. SMEO then submits the validated reports to the Director for final vetting before submission to the Director-General for approval and issuance of letter to the relevant Line Department for compliance vis-à-vis the monitoring report findings.

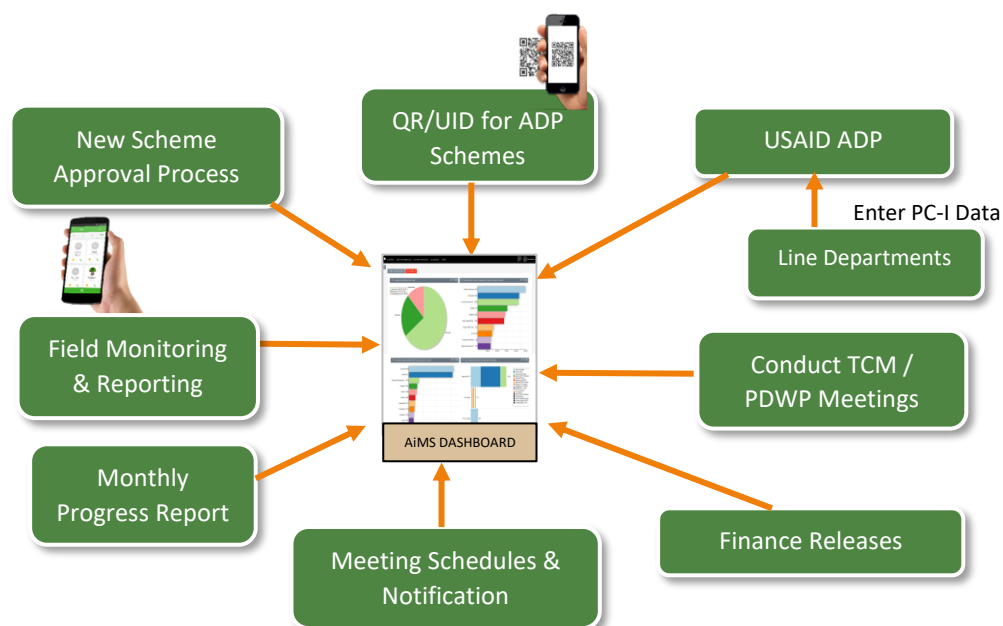

INTEGRATION

ADP Information Management System (AiMS) Dashboard is an electronic system for holistic monitoring of the Provincial ADP portfolio with integration of financial and physical progress of the ongoing development schemes with relevant disaggregated indicators and an overlay of geo-spatial mapping.

OBJECTIVE

To provide an online holistic view of the ADP portfolio by presenting information on:

1. GIS Maps with pin-pointed location of the development schemes
2. Financial progress as reported by FD/FABS
3. Physical progress reporting from the field by the line department and MEC
4. Monthly Progress and Issuance of UID
5. Conducting TCM and PDWP meetings
6. Analytical and Summarized Reports

UNIFIED REPORTING

The dashboard integrates and consolidates data from various sources.

1. Integration with existing paperless workflow automation system of MEC called FilMS with quality detailed reports
2. Weekly fetching of data from Finance Department
3. Weekly reports of approved and unapproved ADP schemes analysis & Reporting
4. QR support to adopt new technology and schedule TCM/PDWP meetings
5. Every scheme will have a unique ID to enable tracking through the years

ANALYSIS AND VISUALIZATION

1. Data visualization in Grids/Charts with filters on multiple fields;
2. One click + real time access to information on the web through a simple log in;
3. Data input from Android smartphones from field is reflected in real-time in on-screen visual and tabular analytical reports
4. Department wise and District/Division wise reporting
5. Comparative Analysis of financial, physical and location-based data.

SMARTPHONE APPLICATION

Previously, the key information required on frequent basis from MEC field monitors was submitted through an online web-based system called FilMS that included information on financial outlays, key issues faced and status of projects (satisfactory/unsatisfactory) acquired through field visits.

Now, the Smartphone App of the ADP Progress Monitoring Dashboard allows MEC monitoring officers to submit this key information on a real time basis through their Smartphone from the field with their geo-tagged location with pictures to report physical progress and inform of any issues/obstacles along with other details.

MEC MONITORING PLAN

Routine Visits

LTBC/SI Visits

Compliance Visits

MEC is responsible for active monitoring and rigorous evaluation of ADP schemes executed by various departments working for Government of Sindh. MEC's robust monitoring mechanism is manifested through its overall visit plan that comprises of 50% routine visits, 25% visits to ADP schemes that are Likely to be Completed (LTBC)/Special Initiatives in the corresponding financial year, and 25% compliance visits.

The three main categories of monitoring visits include First Visits, Revisits and Visits for Compliance. In simple terms, MEC team visits a cohort of schemes every financial year out of which a subset of schemes is revisited.

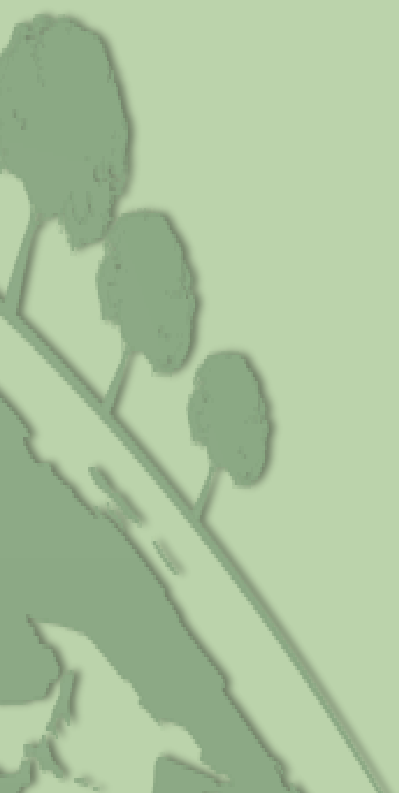

It is worth mentioning that the revisits are also done for schemes that are termed 'satisfactory' to ascertain if the satisfactory status of those schemes are maintained over time. For schemes that are termed 'unsatisfactory', MEC team issues compliance notice to make sure that the issues are promptly rectified.

Once the Department submits para-wise replies to indicate compliance of the issues raised by MEC team, the 'compliance' monitoring visit is conducted to ensure that the submitted replies have been implemented on the ground too. These quality filters ensure that the Departments ensure timely compliance to improve financial and physical progress of the ongoing ADP schemes

ADP

PORTFOLIO

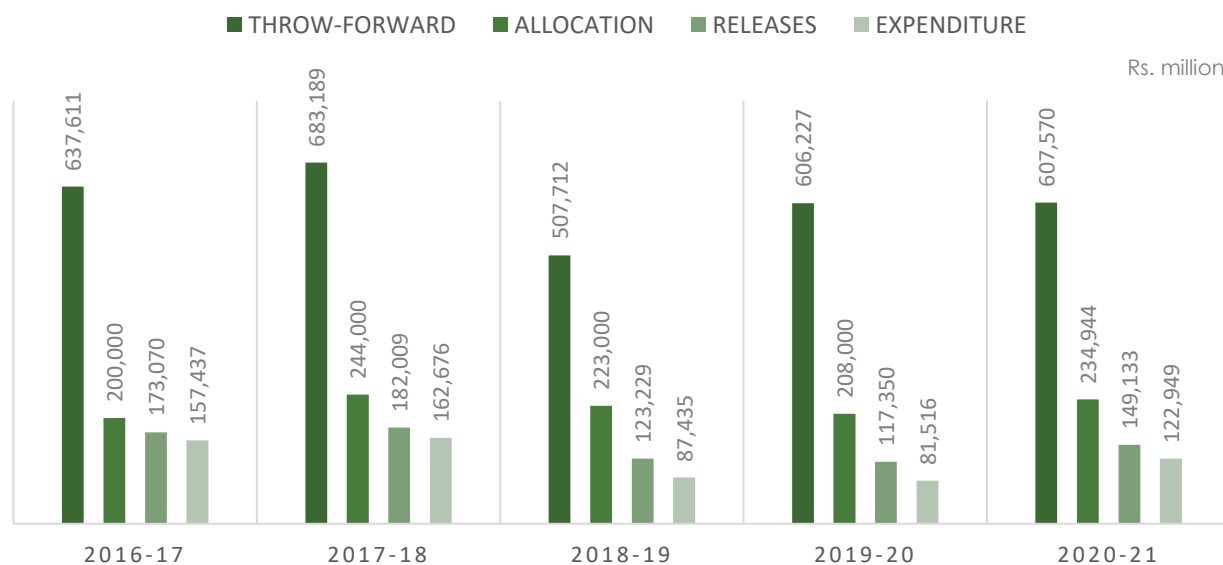

FINANCIAL TREND ANALYSIS OF PROVINCIAL ADP

In the post-devolution context, Government of Sindh has been progressively increasing the size of its development portfolio to undertake a series of initiatives for the province. The focus of these initiatives has been to achieve a balanced growth of infrastructure, production and social sectors for equitable development.

Rs. million

| ADP | ON-GOING SCHEMES | NEW SCHEMES | TOTAL SCHEMES | THROW-FORWARD | ALLOCATION | RELEASES | EXPENDITURE | UTILIZATION % |
|---------|---------------------|----------------|------------------|---------------|------------|----------|-------------|------------------|
| 2016-17 | 1,776 | 995 | 2,773 | 637,611 | 200,000 | 173,070 | 157,437 | 91 |
| 2017-18 | 2,158 | 816 | 2,974 | 683,189 | 244,000 | 182,009 | 162,676 | 89 |
| 2018-19 | 2,226 | 25 | 2,251 | 507,712 | 223,000 | 123,229 | 87,435 | 70 |
| 2019-20 | 1,853 | 852 | 2,705 | 606,227 | 208,000 | 117,350 | 81,516 | 69 |
| 2020-21 | 2,069 | 177 | 2,246 | 607,570 | 232,944 | 149,133 | 122,949 | 82 |

The last 5-year period of Provincial ADP shows that quantum of total development schemes has decreased from 2773 in FY 2016-17 to 2246 schemes in FY 2020-21. The size of Provincial ADP Portfolio has increased in terms of allocations from Rs. 200 billion in FY 2016-17 to about Rs. 233 billion in FY 2020-21. Throw-Forward as of June, 2016 was Rs. 637 billion; making the ratio of throw-forward to total allocation in FY 2016-17 equal to 3.2:1. Throw-Forward as of June, 2020 was Rs. 607 billion; making the ratio of throw-forward to total allocation in FY 2020-21 equal to 2.6:1.

DEPARTMENT-WISE ADP BUDGET ALLOCATION IN FY 2020-21

The size of Provincial ADP for FY 2020-21 was about Rs. 155 Billion. The ADP portfolio comprised of 2246 Schemes (2069 Ongoing and 177 New Schemes). The overall portfolio also included allocations of Rs. 15 Billion for District ADP, Federal Grants of Rs. 8.3 Billion and Foreign Project Assistance of Rs. 54.6 Billion. The total development outlay for FY 2020-21 amounted to about Rs. Rs. 233 Billion.

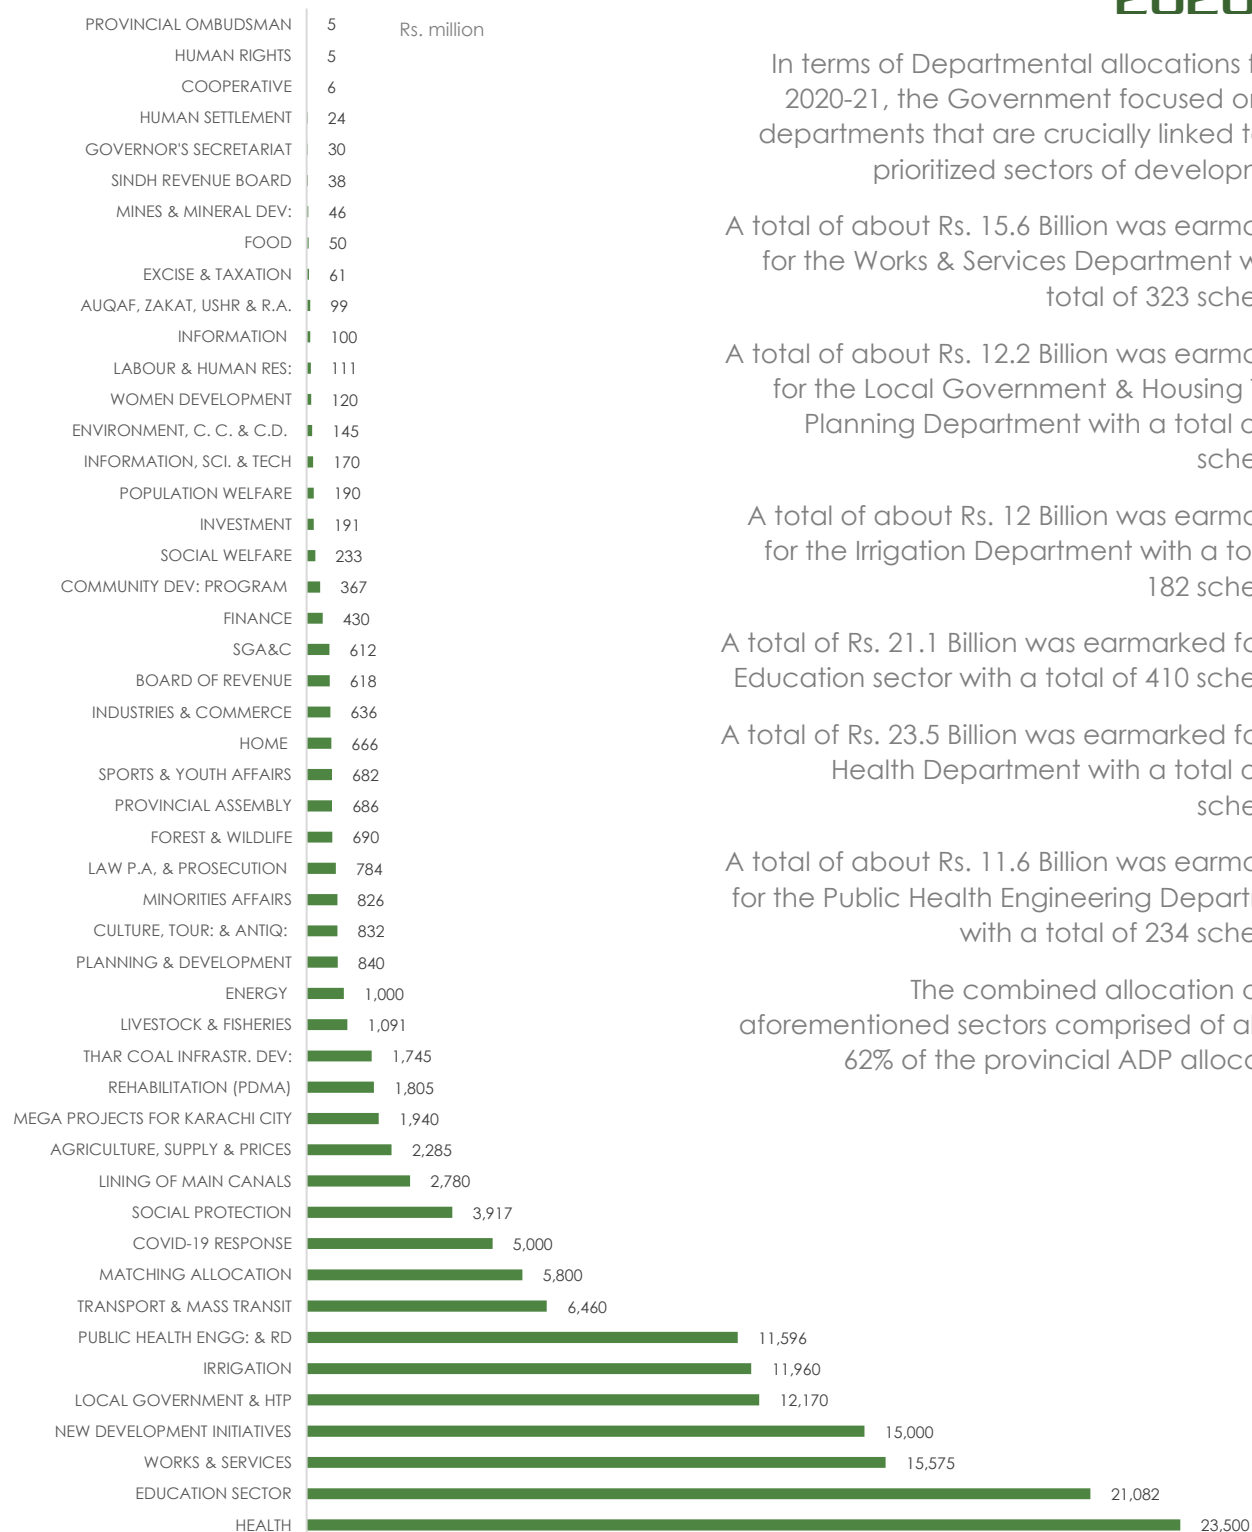

In terms of ADP allocations, the priority departments are Health, Education, Works & Services, Local Government, Irrigation, Public Health Engineering and Transport & Mass Transit.

The Health department has received the highest allocation in FY 2020-21 and was recorded at Rs. 23.5 Billion out of the total ADP portfolio of Rs. 155 Billion. This accounts for about 10.1% of the Total Provincial ADP outlay.

The prioritization of Education is also reflected in the Provincial ADP of FY 2020-21 with allocations of about Rs. 21.1 Billion. This adds up to Rs. 44.6 Billion which is almost 29% of the Provincial ADP portfolio. Earmarking significant allocations for priority sectors reflects the resolve and commitment of the provincial government towards balanced growth and equitable development of the province.

ADP ALLOCATION IN FY 2020-21

In terms of Departmental allocations for FY 2020-21, the Government focused on key departments that are crucially linked to the prioritized sectors of development.

A total of about Rs. 15.6 Billion was earmarked for the Works & Services Department with a total of 323 schemes.

A total of about Rs. 12.2 Billion was earmarked for the Local Government & Housing Town Planning Department with a total of 326 schemes.

A total of about Rs. 12 Billion was earmarked for the Irrigation Department with a total of 182 schemes.

A total of Rs. 21.1 Billion was earmarked for the Education sector with a total of 410 schemes.

A total of Rs. 23.5 Billion was earmarked for the Health Department with a total of 192 schemes.

A total of about Rs. 11.6 Billion was earmarked for the Public Health Engineering Department with a total of 234 schemes.

The combined allocation of the aforementioned sectors comprised of almost 62% of the provincial ADP allocation.

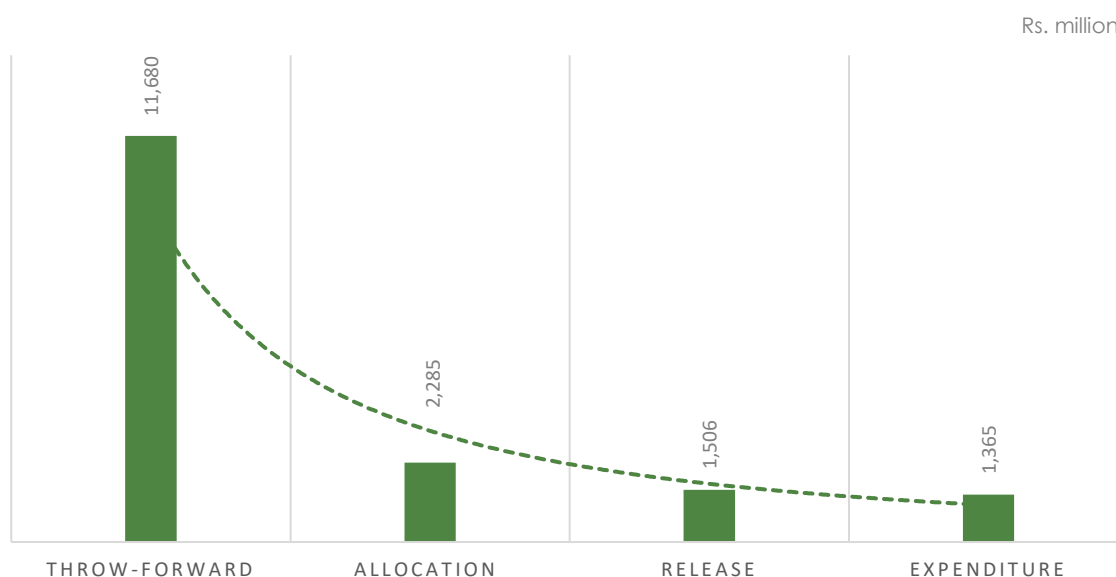

OVERVIEW

DEVELOPMENT

Agriculture

The primary domain of the Agriculture, Supply & Prices Department of GoS is to transform Sindh's agriculture into a competitive, productive and sustainable sector with modern agricultural practices and technology. Throw-Forward for the department as of June, 2020 was Rs. 11,680 million with Rs. 2,285 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 5.1:1. The Financial releases were Rs. 1,505 million of which Rs. 1,364 million were utilized to complete the developmental schemes for the year. 18 schemes were monitored for the Agriculture Department with 25 monitoring visits.

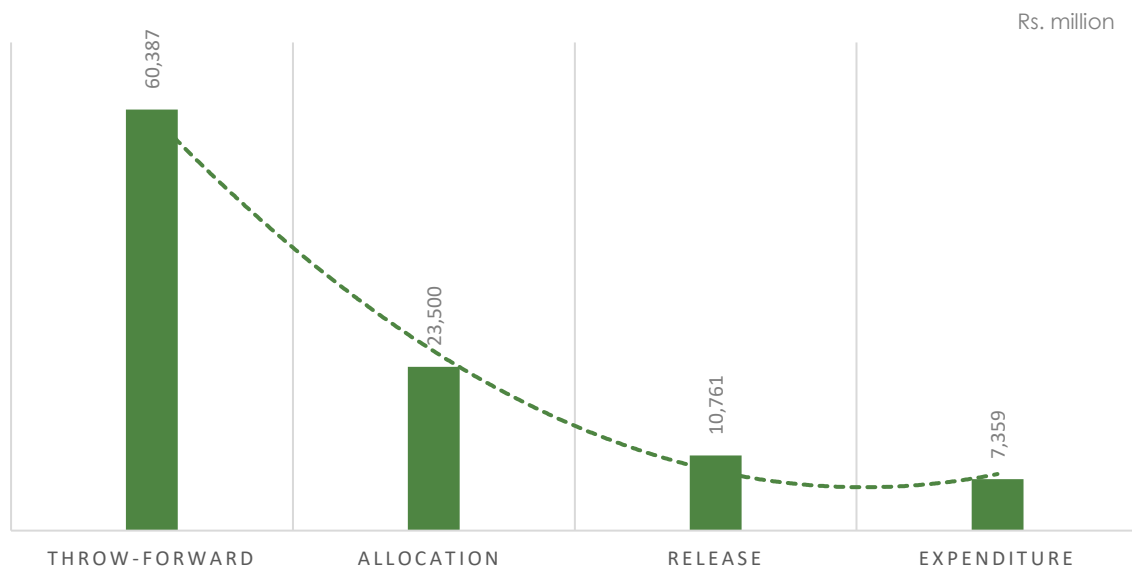

Monitoring Status

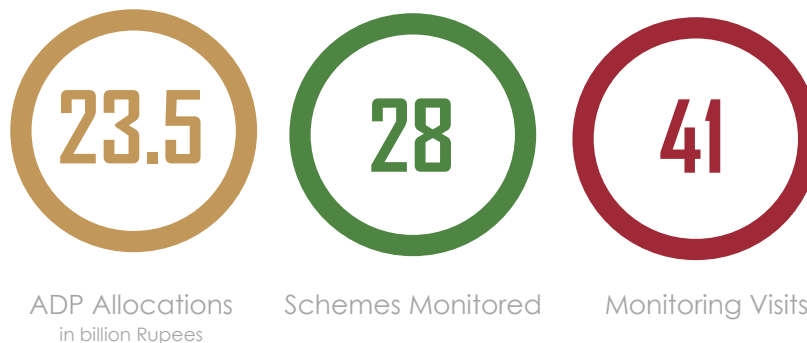

Health

The Provincial Health department of GoS is responsible for ensuring quality healthcare services for the province with functions including administration, execution, legislation and regulation of the healthcare institutions. Throw-Forward for the department as of June, 2020 was Rs. 60,387 million with Rs. 23,500 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 2.6:1. The Releases were Rs. 1,0760 million of which the department was able to utilize Rs. 7,358 million in FY 2020-21. 28 schemes of the Health Department were monitored with 41 visits.

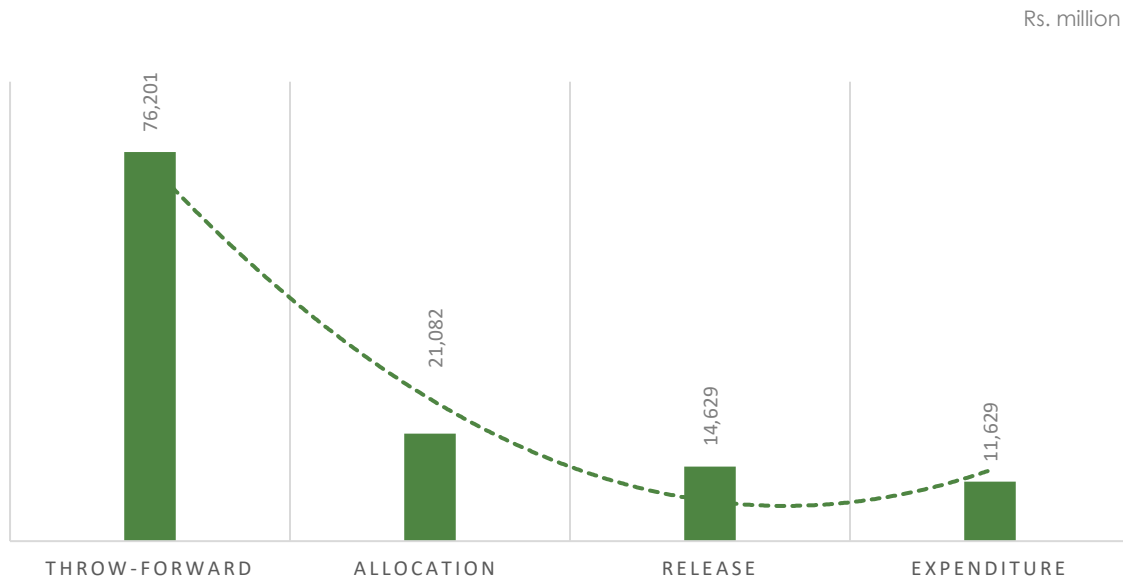

Monitoring Status

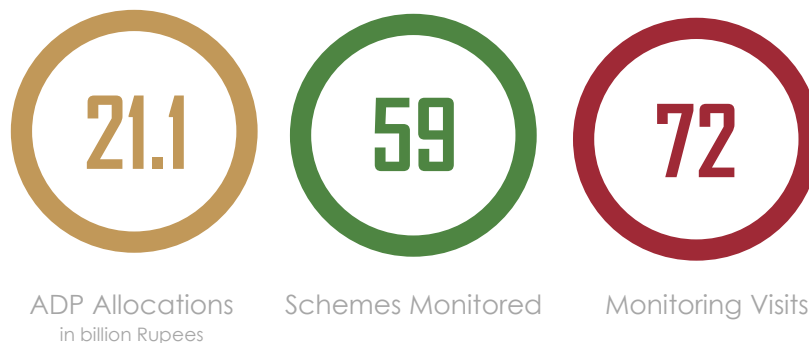

Education

Education is one of the priority sectors of the Government of Sindh comprising of 5 Administrative Departments i.e. School Education & literacy Department, College Education Department, Universities and Boards Department, Department of Empowerment of Persons with Disabilities (DEPD), and Sindh Technical Education & Vocational Training Authority (STEVTa). Throw-Forward for the department as of June, 2020 was Rs. 76,201 million with Rs. 21,082 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 3.6:1. The releases amounted to Rs. 14,629 million out of which an expenditure of Rs.11,629 million was incurred. 59 schemes of the Education Sector were monitored with 72 monitoring visits.

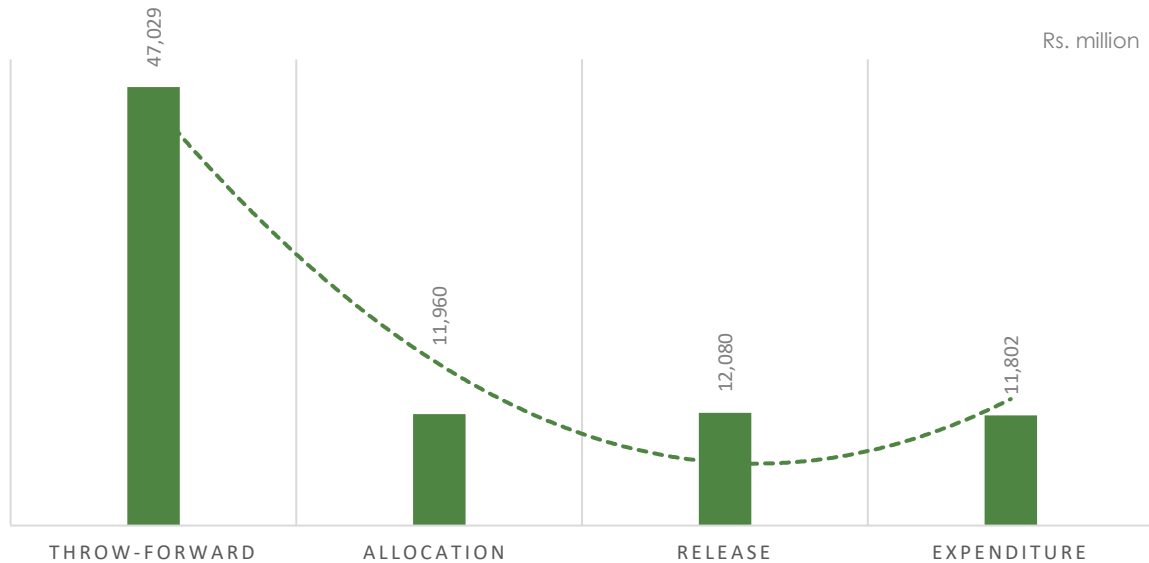

Monitoring Status

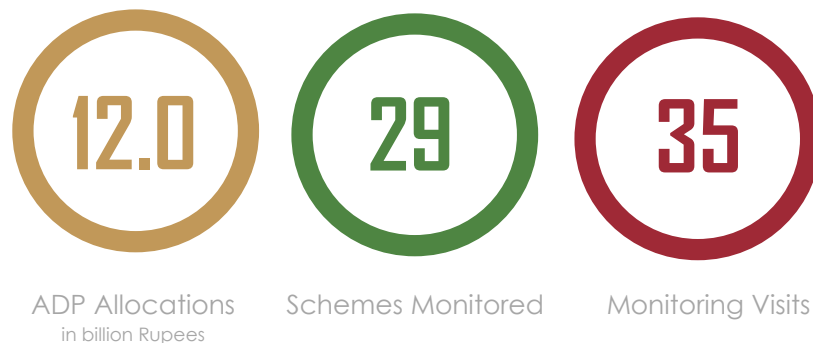

Irrigation

Irrigation Department is responsible for operations, maintenance, development & management of irrigation network, surface drainage system and tube-wells in addition to flood control and rain water harvesting. Throw-Forward for the department as of June, 2020 was Rs. 47,029 million with Rs. 11,960 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 3.9:1. The releases against it were Rs. 12,079 million. The department was able to utilize Rs. 11,801 million in the same year. 29 schemes of the Irrigation Department were monitored with 35 monitoring visits.

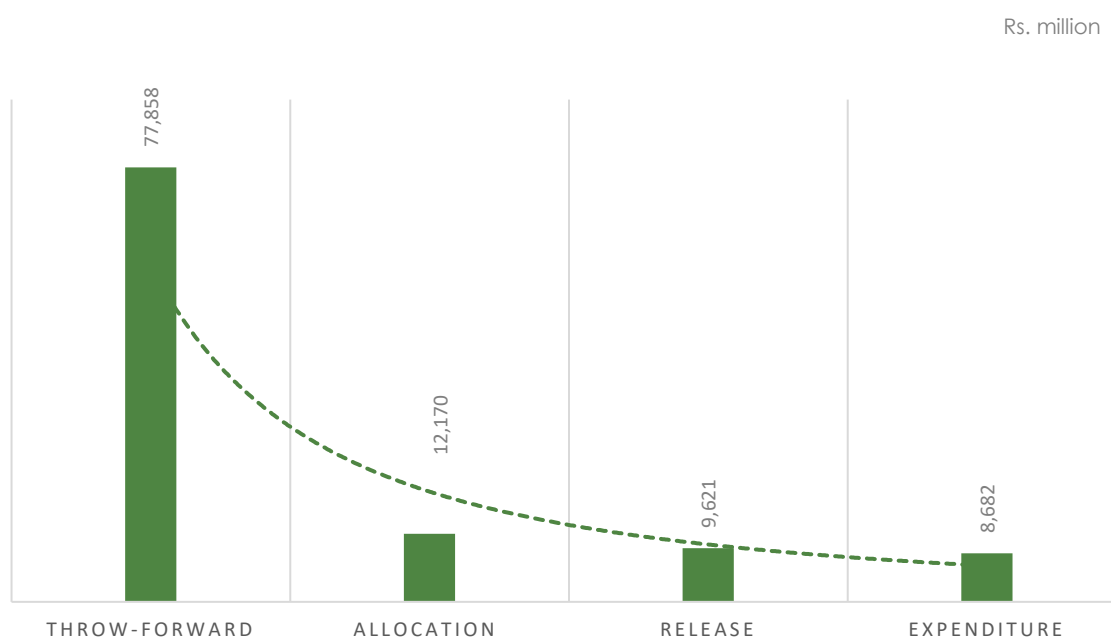

Monitoring Status

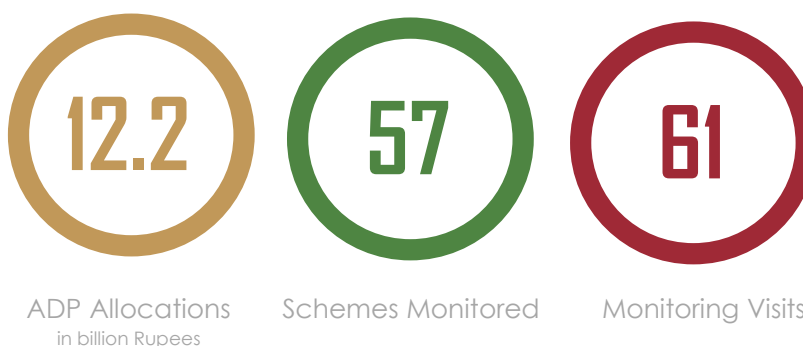

Local Government

The Local Government department of GoS is responsible to promote good governance, effective delivery of services and transparent decision-making through institutionalized participation of the people at local level. Throw-Forward for the department as of June, 2020 was Rs. 77,858 million with Rs. 12,170 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 6.4:1. The releases were recorded at Rs.9,620 million out of which Rs. 8,681 million were utilized. 57 schemes of the Local Government Department were monitored with 61 monitoring visits.

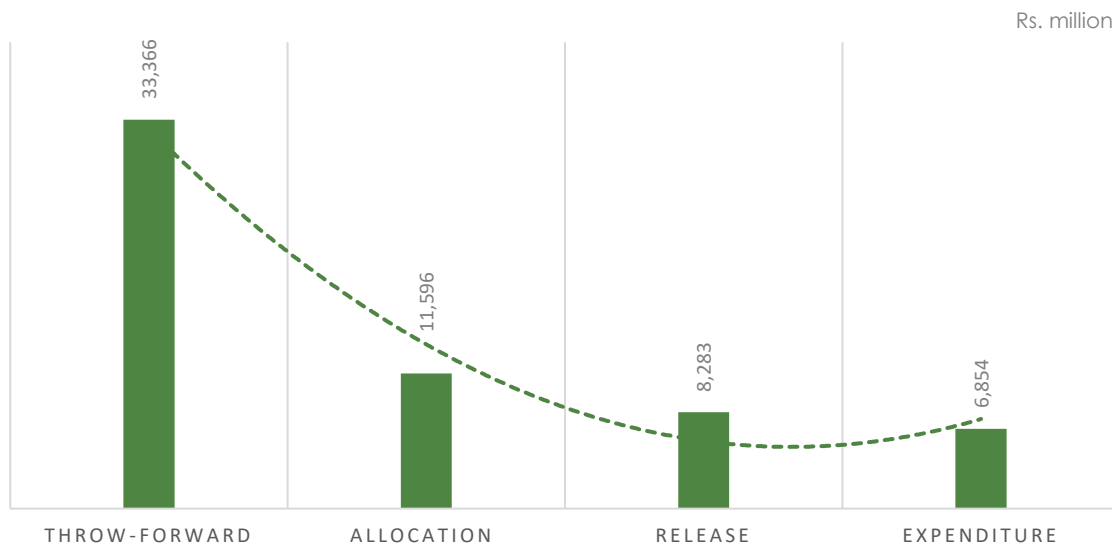

Monitoring Status

Public Health Engineering & Rural Development

The Public Health Engineering & Rural Development Department works on designing, planning and executing water supply and drainage schemes in urban and rural areas of Sindh. Throw-Forward for the department as of June, 2020 was Rs. 33,366 million with Rs. 11,596 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 2.9:1. The releases were recorded at Rs.8,283 million out of which Rs. 6,854 million were utilized. 76 schemes of PHE & RD Department were monitored with 89 monitoring visits.

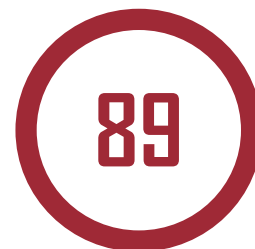

Monitoring Status

ADP Allocations
in billion Rupees

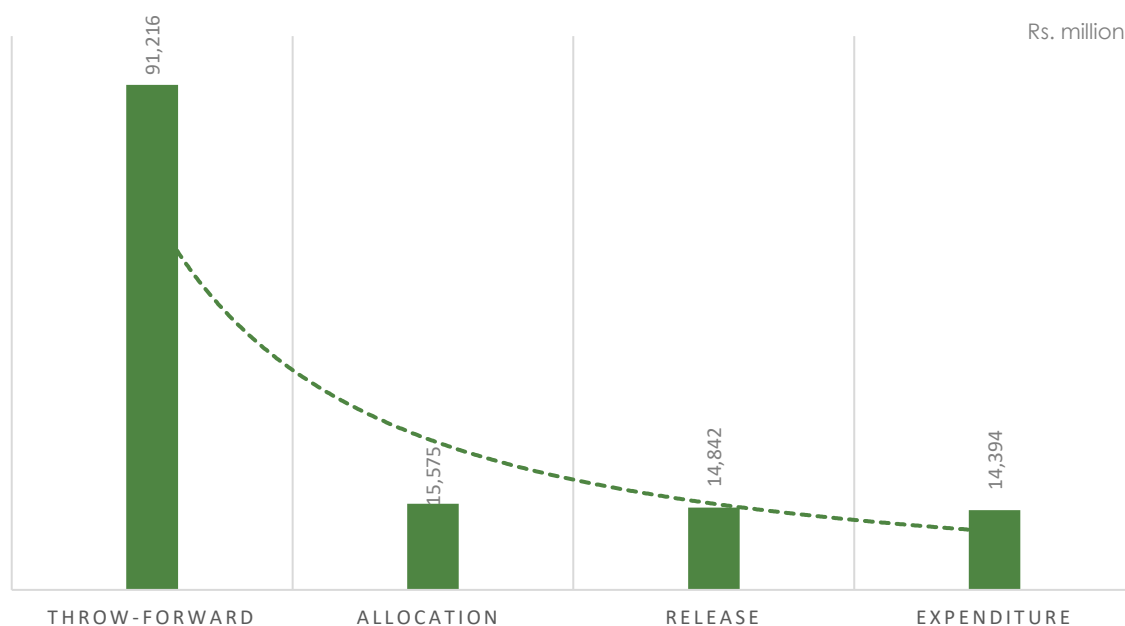

Schemes Monitored

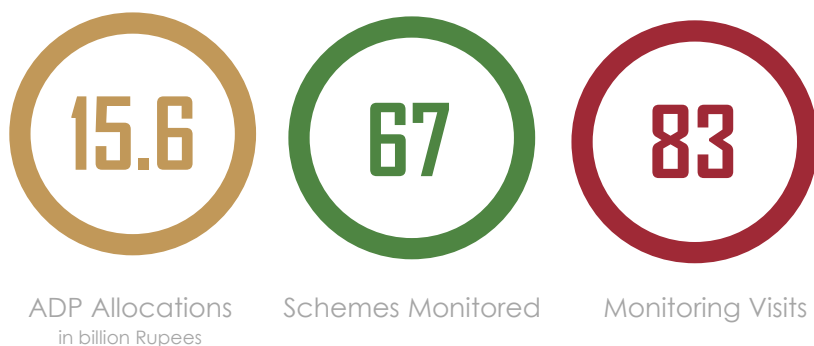

Monitoring Visits

Works & Services

Works & Services department is directly responsible for development initiatives that are concerned with development works such as roads, bridges and other related infrastructural initiatives of the Province. Throw-Forward for the department as of June, 2020 was Rs. 91,216 million with Rs. 15,575 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 5.9:1. The financial releases were Rs. 14,842 million out of which the expenditures incurred were 14,394 million. 67 schemes of Works & Services Department were monitored with 83 monitoring visits.

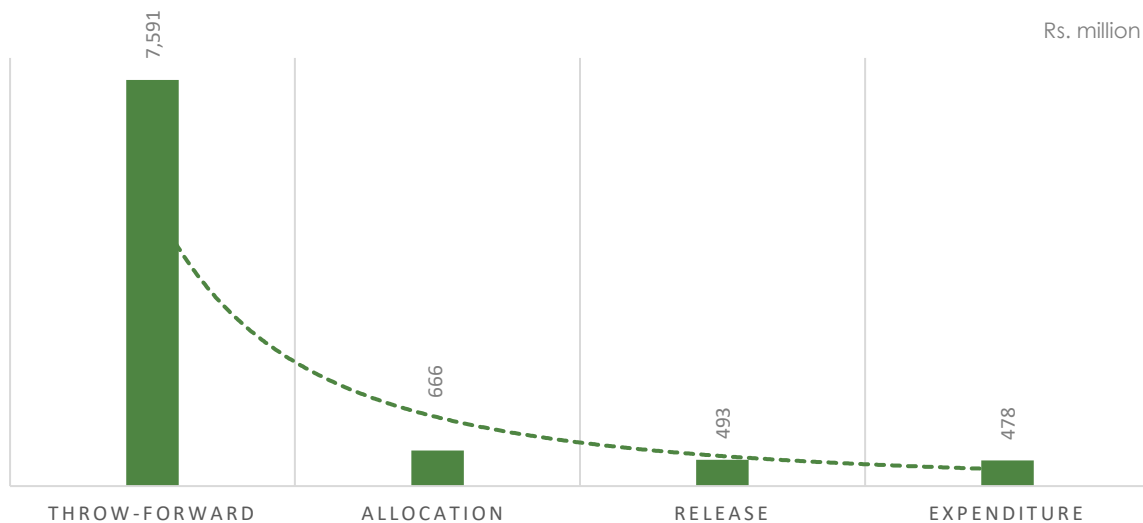

Monitoring Status

Home

Home Department plays a pivotal role in maintenance of law & order and internal security. In addition, there is long list of traditional functions performed by the Department. The aforementioned role requires constant support from various attached departments which include Police Department, Inspectorate General of Prisons and Directorate of Civil Defence and Directorate of Reclamation & Probation. Throw-Forward for the department as of June, 2020 was Rs. 7,591 million with Rs. 666 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 11.4:1. The releases amounted to Rs. 493 million. The expenditures incurred were Rs. 477 million. 17 schemes of Home Department were monitored with 24 monitoring visits.

Monitoring Status

ADP Allocations
in billion Rupees

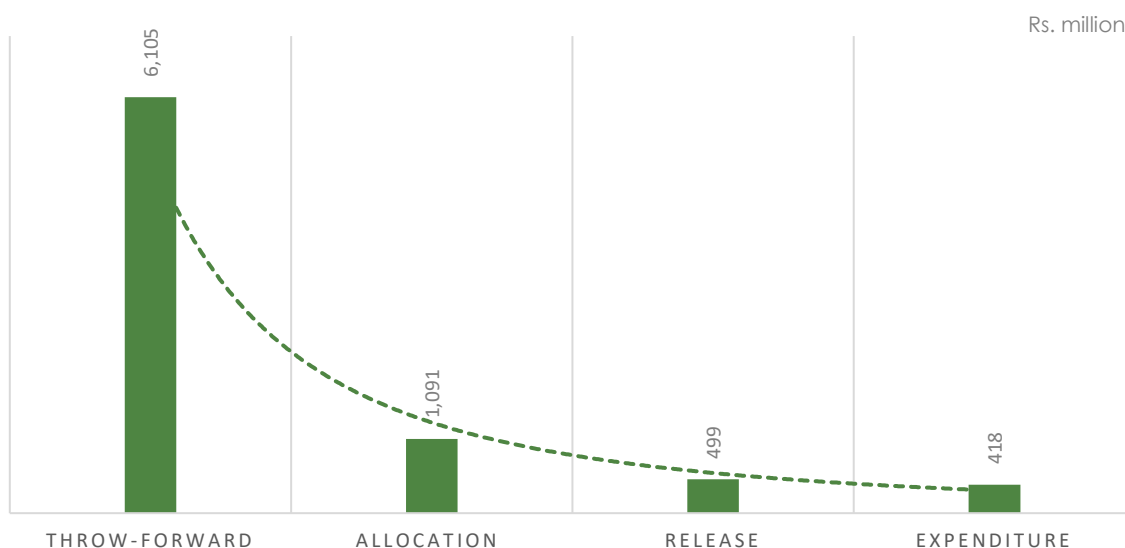

Schemes Monitored

Monitoring Visits

Livestock and Fisheries

Livestock & Fisheries Department caters to the requirements of livestock sector in the province. Livestock is increasingly becoming a very important sector of national economy, contributing even more than all the other agricultural crops combined. Throw-Forward for the department as of June, 2020 was Rs. 6,105 million with Rs. 1,091 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 5.6:1. The releases were Rs. 499 million. The expenditures incurred were Rs. 417 million. 19 schemes of Livestock & Fisheries Department were monitored with 29 monitoring visits.

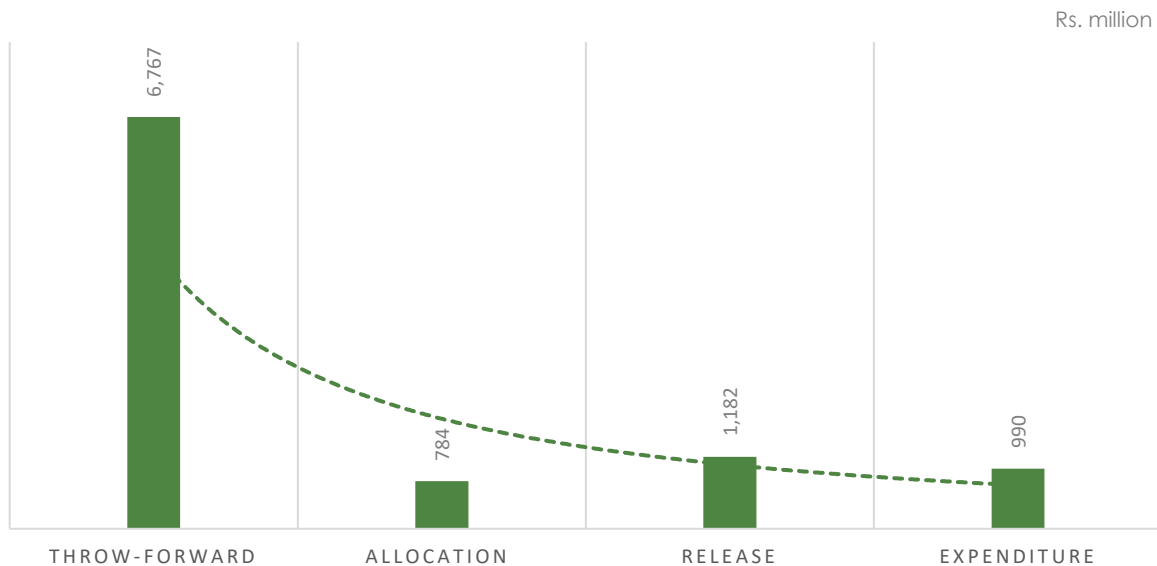

Monitoring Status

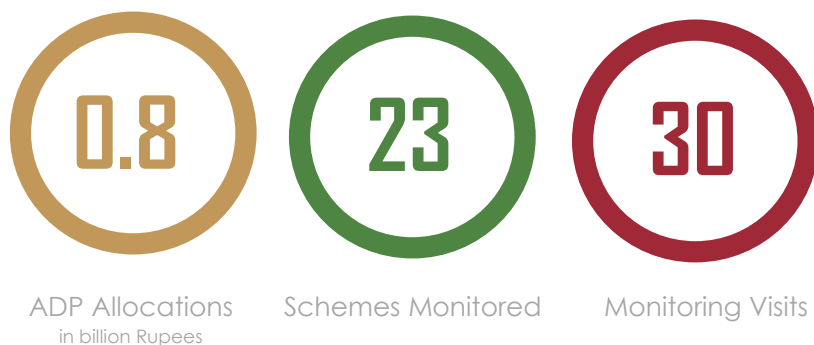

Law, P.A. & Prosecution

The Law, Parliamentary Affairs & Criminal Prosecution department deals with legal matters pertaining to government business. Throw-Forward for the department as of June, 2020 was Rs. 6,767 million with Rs. 784 million allocated for FY 2020-21. This translates into a throw-forward to allocation ratio of 8.6:1. The releases amounted to Rs. 1,182 million out of which about Rs. 989 million were utilized. 23 schemes of Law, P.A. & Prosecution Department were monitored with 30 monitoring visits.

Monitoring Status

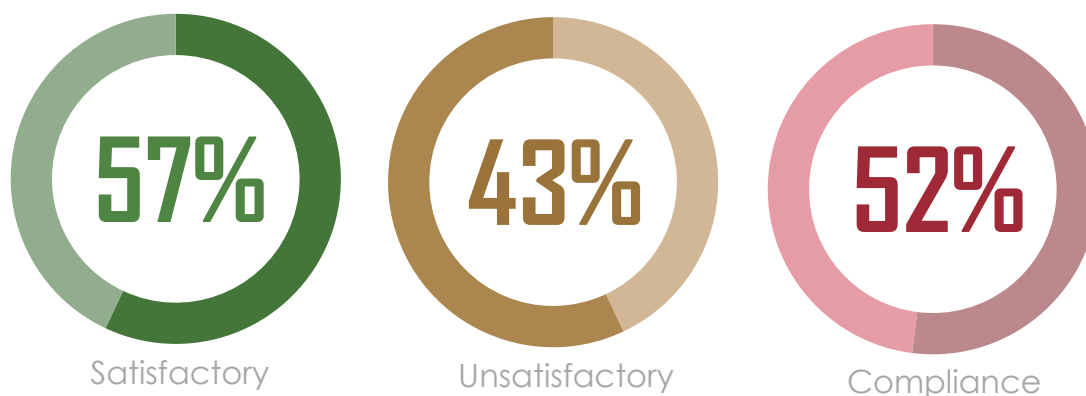

KEY PERFORMANCE INDICATORS

MONITORING PROGRESS

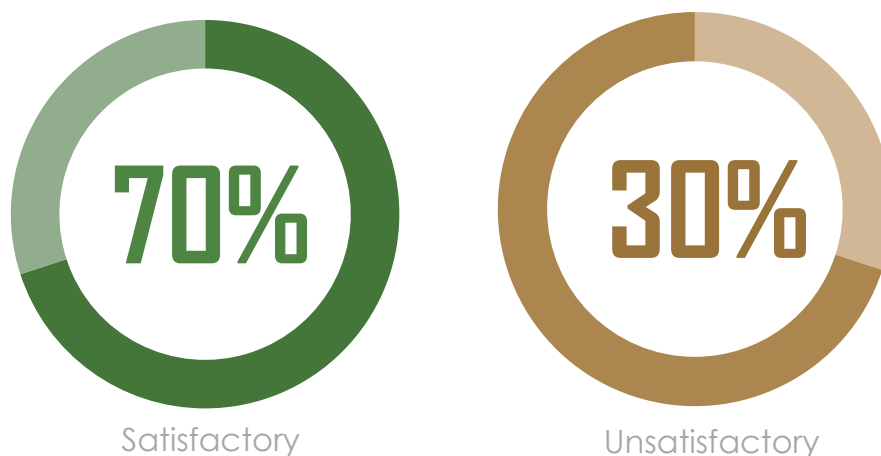

MEC made a total of 638 field monitoring visits to the 500 schemes during FY 2020-21. This essentially meant revisiting several schemes to ensure compliance and improvement in the progress indicators. Out of the 638 visits, 362 visits were found satisfactory (57%) and 276 visits were found unsatisfactory (43%). Number of compliances received was 144 (52% of unsatisfactory visits).

Monitoring Visits Status

STATUS OF SCHEMES MONITORED FY 2020-21

MEC Team monitored 500 schemes during FY 2020-21, out of which 351 schemes (70.2%) were found satisfactory and 149 schemes (29.8%) were found unsatisfactory.

Department-wise Monitoring Visits in FY 2020-21

| S.#. | Departments / Sectors | Number of Visits | Satisfactory | Percentage | Un-Satisfactory | Percentage | Compliance Received | Percentage |
|------|--|------------------|--------------|------------|-----------------|------------|---------------------|------------|
| 1 | Agriculture, GOS | 25 | 16 | 64.0 | 9 | 36.0 | 6 | 66.7 |

In terms of the focus of the Line Departments in terms of monitoring, MEC monitored ten prioritized Departments which accounted for 75.2% (376 out of 500 schemes) of total monitored schemes and 72.9% (465 out of 638 visits) of the total monitoring visits.

The prioritized departments included Education & Literacy Department which comprised of 59 schemes monitored during FY 2020-21 with 72 total monitoring visits. Out of 59 schemes, 45 (76.3%) were found to be satisfactory and 14 schemes (23.7%) were found to be unsatisfactory. Out of the 72 monitoring visits, 45 visits were satisfactory (62.5%) and 27 were unsatisfactory (37.5%).

Health Department comprised of 28 monitored schemes during FY 2020-21 with 41 total monitoring visits. Out of 28 schemes, 24 (85.7%) were found to be satisfactory and 4 schemes (14.3%) were found to be unsatisfactory. Out of the 41 monitoring visits, 27 visits were satisfactory (65.9%) and 14 were unsatisfactory (34.1%).

Works & Services Department comprised of 67 monitored schemes during FY 2020-21 with 83 total monitoring visits. Out of 67 schemes, 53 (79.1%) were found to be satisfactory and 14 schemes (20.9%) were found to be unsatisfactory. Out of the 83 monitoring visits, 54 visits were satisfactory (65.1%) and 29 were unsatisfactory (34.9%).

Public Health Engineering Department comprised of 52 monitored schemes during FY 2020-21 with 65 total monitoring visits. Out of 52 schemes, 33 (63.5%) were found to be satisfactory and 19 schemes (36.5%) were found to be unsatisfactory. Out of the 65 monitoring visits, 33 visits were satisfactory (50.8%) and 32 were unsatisfactory (49.2%).

Rural Development Department which comprised of 24 schemes monitored during FY 2020-21 with 24 total monitoring visits. Out of 24 schemes, 1 (4.2%) was found to be satisfactory and 23 schemes (95.8%) were found to be unsatisfactory. Out of the 24 monitoring visits, 1 visit was satisfactory (4.2%) and 23 were unsatisfactory (95.8%).

Irrigation Department comprised of 29 monitored schemes during FY 2020-21 with 35 total monitoring visits. Out of 29 schemes, 20 (69%) were found to be satisfactory and 9 schemes (31%) were found to be unsatisfactory. Out of the 35 monitoring visits, 21 visits were satisfactory (60%) and 14 were unsatisfactory (40%).

Livestock & Fisheries Department comprised of 19 monitored schemes during FY 2020-21 with 56 total monitoring visits. Out of 19 schemes, 12 (63.2%) were found to be satisfactory and 7 schemes (36.8%) were found to be unsatisfactory. Out of the 56 monitoring visits, 14 visits were satisfactory (48.3%) and 15 were unsatisfactory (51.7%).

Law, Parliamentary Affairs and Criminal Prosecution Department comprised of 23 schemes monitored during FY 2020-21 with 30 total monitoring visits. Out of 23 schemes, 14 (60.9%) were found to be satisfactory and 9 schemes (39.1%) were found to be unsatisfactory. Out of the 30 monitoring visits, 14 visits were satisfactory (46.7%) and 16 were unsatisfactory (53.3%).

Local Government Department comprised of 57 schemes monitored during FY 2020-21 with 61 total monitoring visits. Out of 57 schemes, 36 (63.2%) were found to be satisfactory and 21 schemes (36.8%) were found to be unsatisfactory. Out of the 61 monitoring visits, 38 visits were satisfactory (62.3%) and 23 were unsatisfactory (37.7%).

Agriculture Department which comprised of 18 schemes monitored during FY 2020-21 with 25 total monitoring visits. Out of 18 schemes, 15 (83.3%) were found to be satisfactory and 3 schemes (16.7%) were found to be unsatisfactory. Out of the 25 monitoring visits, 16 visits were satisfactory (64%) and 9 were unsatisfactory (36%).

DEPARTMENTAL PERFORMANCE

MEC team made 638 monitoring visits to 500 ongoing schemes in FY 2020-21 to determine whether the scheme has been satisfactory or unsatisfactory in terms of financial and physical progress. Overall, 351 schemes (70.2%) were termed satisfactory and 149 schemes (29.8%) were termed unsatisfactory. 81% of the total monitored schemes were directed towards ten prioritized Line Departments.

The following graph illustrates the performance of the Line Departments in terms of the relative proportion of schemes termed satisfactory and unsatisfactory.

Departmental Performance Pyramid (%)

MONITORING BY REGIONAL OFFICES

Disaggregating the monitoring visits and schemes monitored by region illustrates interesting findings about the regional progress of development schemes.

In Karachi Region, MEC Team monitored 108 schemes with 128 monitoring visits. Out of the 108 schemes monitored, 81 were found to be satisfactory (75 %) and 27 schemes were found to be unsatisfactory (25%). Out of the 128 monitoring visits, 81 visits were found satisfactory (63.3%) and 47 visits were unsatisfactory (36.7%).

Monitoring Summary of Region-Wise Schemes in FY 2020-21

| Region | Schemes | Satisfactory | Unsatisfactory |
|--------------|------------|--------------|----------------|
| Hyderabad | 161 | 105 | 56 |
| Sukkur | 110 | 84 | 26 |
| Karachi | 108 | 81 | 27 |
| Larkana | 120 | 81 | 39 |
| Head Office* | 1 | 0 | 1 |
| Total | 500 | 351 | 149 |

In Hyderabad Region, MEC Team monitored 161 schemes with 207 monitoring visits. Out of the 161 schemes monitored, 105 were found to be satisfactory (65.2%) and 56 schemes were found to be unsatisfactory (34.8%). Out of the 207 monitoring visits, 113 visits were found satisfactory (54.6%) and 94 visits were unsatisfactory (45.4%).

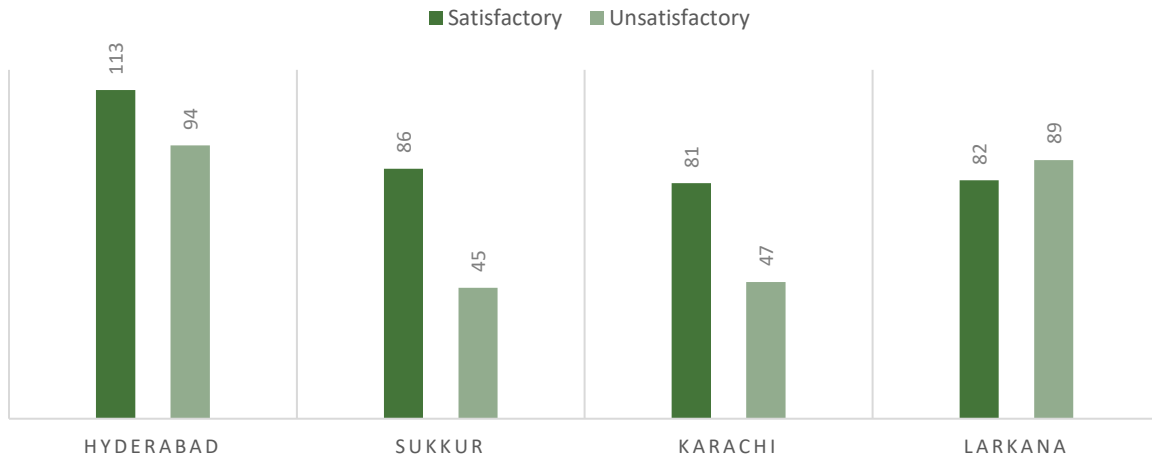

In Larkana Region, MEC Team monitored 120 schemes with 171 monitoring visits. Out of the 120 schemes monitored, 81 were found to be satisfactory (67.5%) and 39 schemes were found to be unsatisfactory (32.5%). Out of the 171 monitoring visits, 82 visits were found satisfactory (48%) and 89 visits were unsatisfactory (52%).

In Sukkur Region, MEC Team monitored 110 schemes with 131 monitoring visits. Out of the 110 schemes monitored, 84 were found to be satisfactory (76.4%) and 26 schemes were found to be unsatisfactory (23.6%). Out of the 131 monitoring visits, 86 visits were found satisfactory (65.6%) and 45 visits were unsatisfactory (34.4%).

Regional Monitoring Visits in FY 2020-21

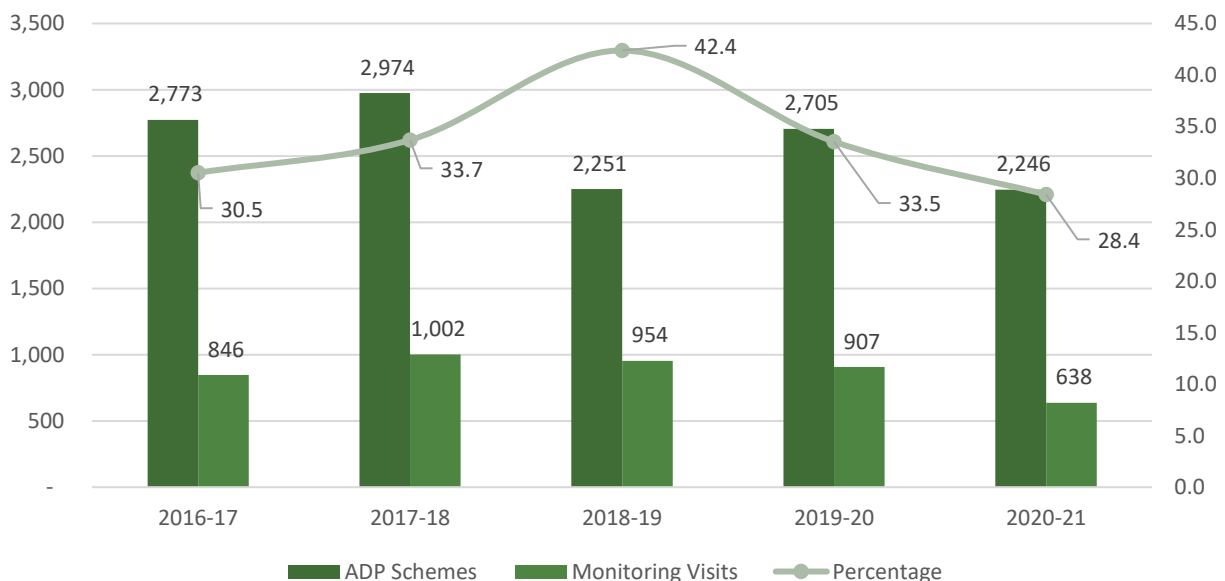

| Region | Satisfactory | Unsatisfactory | Total |
|--------------|--------------|----------------|------------|
| Hyderabad | 113 | 94 | 207 |
| Sukkur | 86 | 45 | 131 |
| Karachi | 81 | 47 | 128 |
| Larkana | 82 | 89 | 171 |
| Head Office* | 0 | 1 | 1 |
| Total | 362 | 276 | 638 |

Regional Monitoring Visits

FIELD MONITORING OVER THE YEARS

MEC Team visited a total of 500 schemes during FY 2020-21 with several re-visits for a number of schemes. The total number of monitoring visits accumulated to 638. The total ADP portfolio for FY 2020-21 comprised of 2246 schemes with 2069 ongoing and 177 new schemes. The graph below illustrates the field monitoring trend over the years in relation to the total ADP portfolio for the corresponding year.

KEY RESULT INDICATORS

RESPONSES RECEIVED FROM LINE DEPARTMENTS

MEC Team proactively pursued monitoring of 500 schemes along various Line Departments with a total of 638 monitoring visits. This reflected the commitment to ensure quality control for development schemes, especially those termed unsatisfactory.

| Top 10 Departmental Response Against Compliance | Response % |
|---|------------|
| Cooperative | 100.0 |
| Culture | 100.0 |
| Energy | 100.0 |
| Industrial & Commerce | 100.0 |
| Investment Development | 100.0 |
| Mega Schemes for Karachi City | 100.0 |
| Rehabilitation (PDMA) | 100.0 |
| S.G.A. and Coordination | 100.0 |
| Transport & Comm. (Roads) | 100.0 |
| Forest, Wildlife & CDA | 80.0 |

In terms of response received from the corresponding department against the compliance sent for unsatisfactory status, almost 27 of total 31 departments complied and rectified the issues in the time prescribed.

04 departments failed to comply against the feedbacks generated by MEC for unsatisfactory performance.

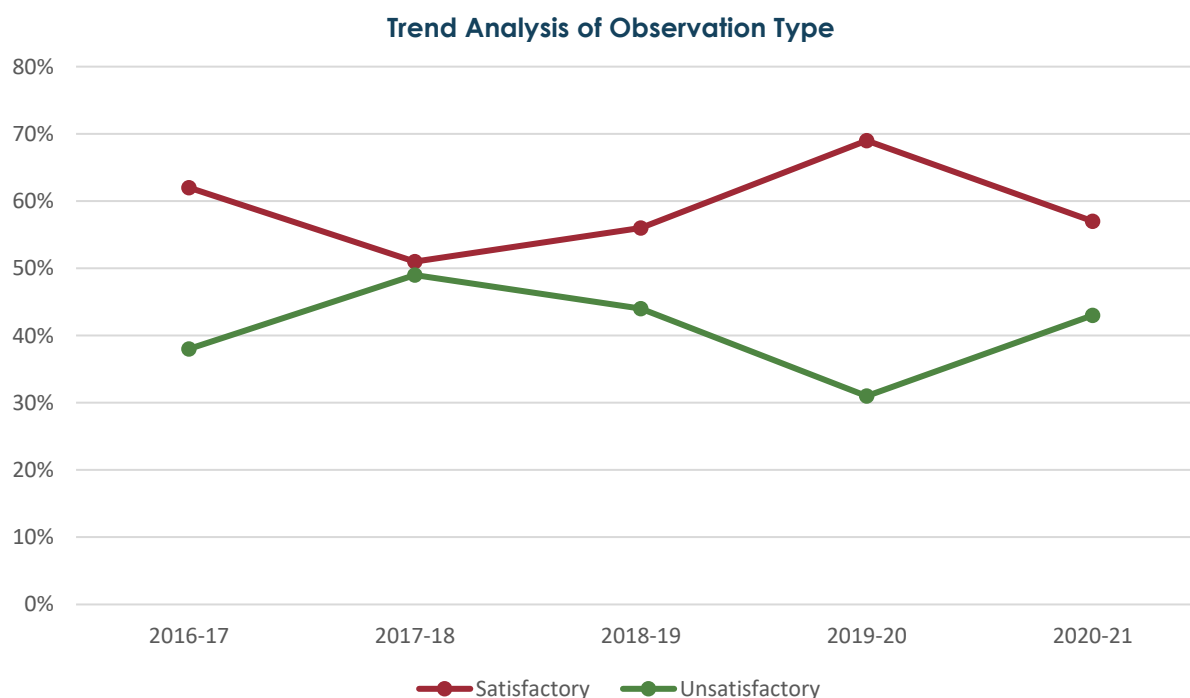

The most responsive departments in terms of ensuring full compliance were namely Services General Administration & Coordination, Culture, Investment, Industries & Commerce, Energy, Mega Schemes for Karachi, Rehabilitation (PDMA), and Transport & Communication (Roads). These departments ensured full compliance to rectify and address the issues pertaining to their specific schemes.

18 Departments performed fairly (i.e. partial compliance) against the feedbacks generated by the MEC for unsatisfactory performance of the respective schemes.

TREND ANALYSIS OF OBSERVATION TYPE

With a total of 638 monitoring visits for 500 development schemes for FY 2020-21, MEC has ensured that repeated monitoring visits translate into improved financial and physical progress indicators over time. It is evident that repeated visits over the same schemes have considerably improved their quality. This is reflected in the fact that out of 638 monitoring visits, 362 visits were found to be satisfactory (56.7%) and 276 visits were found to be unsatisfactory (43.3%). However, the ultimate status of the 500 monitored schemes showed that 351 schemes were termed satisfactory (70.2%) and 149 schemes remained unsatisfactory (29.8%). This essentially means that continuous monitoring and repeated visits helped improve the quality of schemes considerably.

| Status | 2016-17 | 2017-18 | 2018-19 | 2019-20 | 2020-21 |
|----------------|---------|---------|---------|---------|---------|
| Satisfactory | 62% | 51% | 56% | 69% | 57% |
| Unsatisfactory | 38% | 49% | 44% | 31% | 43% |

Note: Before FY 2018-19, the categories of observation type included Average, Satisfactory and Unsatisfactory status. However, FY 2018-19 onwards, the "average" observation type is now considered unsatisfactory. Hence, now the observation type only includes two broad categories of satisfactory and unsatisfactory status.

Unsatisfactory Schemes 4 Year Analysis

| Departments | Percent % Of Unsatisfactory Schemes | | | | | | |
|---|-------------------------------------|-------------|-------------|----------------|---------|-------------------|-----------|

UNSATISFACTORY VISITS

FINDINGS & RECOMMENDATIONS

AUQAF ZAKAT, USHR & RELIGIOUS AFFAIRS

FINDINGS

- During FY 2020-21, a total of 11 Development schemes of Auqaf department have been visited by Monitoring & Evaluation Cell, Planning Development Department Govt of Sindh. Out of 11 Schemes, the quality of work on 07 Schemes i.e. 63% was declared satisfactory; whereas, on 04 Schemes i.e. 37%, quality of work was declared unsatisfactory. The major issues observed during the monitoring of schemes were delays in completion of schemes and change of scope at site without prior approval from the competent authority

RECOMMENDATIONS

- Technical sanction should be made exactly as per the component executed physically at site
- Lab Tests should be carried out to check the suitability of materials used in construction & test results should be provided to the MEC team for verifiability
- Payments may be done as per the work done at site after proper verification of quantities by the concerned XEN

CULTURE TOURISM AND ANTIQUITIES

FINDINGS

- During FY 2020-21, 22 Development schemes of Culture department have been visited by Monitoring & Evaluation Cell, Planning Development Department Govt of Sindh
- Out of 22 Schemes, the quality of work on 16 Schemes i.e. 72% was declared satisfactory, whereas on 06 Schemes i.e. 28% quality of work was declared unsatisfactory
- The major issues observed during the monitoring of schemes included change of scope at site without prior approval from competent authority, duplication of work and advance payment

RECOMMENDATIONS

- E/A should shun the practices of Advance payment, scope change, and address quality-related issues
- Executing Agency should work diligently for timely completion of schemes. It was observed that due to delay in completion of schemes, administrative department is using the practice of revision of schemes by increasing the cost which is counter-productive
- Keeping in view the social & cultural importance of the schemes, regular vigilance by the department should be maintained to achieve the desired objectives
- In all restoration and conservation work, the quality of material and water must be maintained
- Restoration and conservation work should be done with special care to avoid any sort of damage to the old structure and without disturbing the originality of the archeological sites
- In the light of study/survey, priority should be given to those areas/components, which are particularly vulnerable, and need immediate attention
- E/A should hire the technical/ project staff as per PC-I because it was observed that the work at site is being compromised when project staff is not hired

EDUCATION

FINDINGS

- Education and literacy department is categorized in four different categories viz School Education, College Education, Universities/Boards and Technical Education. Monitoring & Evaluation Cell, P&D Dept. of Govt. of Sindh visited 72 schemes of Education and Literacy Department during FY 2020-21 including namely the cadet college Jacobabad, Establishment of Degree College at Garhi Yasin, IBA Thatta, Shaheed Zulfiqar Ali Bhutto Law University, Construction of degree colleges, Staff hostels in colleges, Early Childhood Education (ECE) Intervention Hyderabad, rehabilitation and construction of new Schools in Sindh
- A total of 72 schemes were visited by MEC in FY 2020-21. Out of 72 Schemes, the quality of work on 45 Schemes i.e. 62% was declared satisfactory; whereas, on 27 Schemes i.e. 38% quality of work was declared unsatisfactory
- The major issues observed in Education and Literacy Department were that timely data was not provided during or before the visit of schemes for the revenue side. (Especially in Schools Education and college Education)
- On Capital side - inferior quality of form-work, deviation from scope of PC-1, Non-functionality of various completed buildings, and below average quality of concrete work were the main issues

RECOMMENDATIONS

- Keeping in view the social importance of the schemes, department should ensure timely procurement of revenue items and provide the related data to MEC
- Executing agency should improve the quality of work without the deviation from the scope of work as proposed in PC-1
- Department should functionalize the completed buildings as per the societal needs
- EA should improve the quality of workmanship and concrete work at the site to avoid honeycombing. Moreover, the quality of formwork should be enhanced with the use of plywood
- Vibrator should be used to avoid honeycombing

FOREST & WILDLIFE

FINDINGS

- The forest & wildlife Department of Sindh is graded in four different categories viz. Riverine Forests, Irrigated Plantations, Protected Forests and Mangrove Forests. Monitoring & Evaluation Cell, P&D Dept., Govt. of Sindh visited Eleven schemes of Forest & Wildlife Department during FY 2020-21. Out of 11 Schemes, the quality of work on 10 Schemes i.e. 91% was declared satisfactory; whereas, for only 01 Scheme i.e. 09% quality of work was declared unsatisfactory
- The major issues observed during the monitoring of schemes were that the maintenance of Urban plantation was not done as it should be. The issue of grazing is higher at different points of canal side & Roadside planation due to passage of animals and to address the issue a few forest guards are looking after plantations. Further, it was noted that at Roadside & canal side, no brush wood fencing were provided for plant protection which leads to degradation of plantation

RECOMMENDATIONS

- Karachi needs urban plantation on urgent basis because the average temperature is constantly rising. TBTP scheme is a big opportunity for Karachi. It is worth mentioning that in the last 2 years, Karachi got just 200 acres of urban forestry. Therefore, E/A should expedite Urban plantation in Karachi
- Sign-board should be installed at each nursery site with plant name and species name for ease of identification of plants that are being raised in nursery.
- Watering of young plants should be ensured, particularly for urban plantation
- Regular supervision and maintenance of new plantation must be carried out because any negligence in maintenance could significantly damage the plantation
- Raised micro and macro plantation should be supplied for plantation in coming spring season to local farmers, landlords, NGOs and other stakeholders on subsidized rates. It will facilitate in increasing the tree cover in the province
- The empty pits must be restocked at earliest and proper species should be planted because Gaps in Rows is not acceptable and when plants are lost, replacement must be promptly carried out
- If any area of soil is not suitable for plants, then it should be replaced with fertile/clay soil
- Proper maintenance of young plants should be done even after the completion of scheme

HEALTH

FINDINGS

- Poor planning & supervision has been observed in execution work by the concerned XEN/AEN/Sub Engineer
- Issues like Major Seepage, Poor Quality Paint work & Misalignment & improper grouting of Marble & Tiles were observed at various places
- Plinth Level of Buildings was observed at low level with respect to internal & external Roads of the scheme
- Lack of Provision of External Drainage of Building & Epoxy Flooring & Anti-Bacterial Paint in OT/ICU of hospitals in construction design was observed
- Over Payment/Expenditure on different components to contractor beyond the mentioned cost as per PC-1 was observed, without any prior approval/Technical sanction from the competent authority
- Complete Measurement book was not shared with the MEC team and in some projects wrong billings / overpayments were observed
- Test regime was totally missing in Building's work. Tests like slump test, gradation of fine & coarse aggregates, cube crushing test, steel tests (yield & tensile strength) & soil test (classification of soil) were not carried out in most of the cases
- Honey combing was visible in many structures which showed improper mixing and placement of concrete
- Incomplete information was being shared with the MEC Team regarding Revenue Component of the schemes. Mostly, necessary documents were not provided by the E/A
- Early purchasing of Revenue component was being done and expensive machineries were kept for years without using. Sometimes, even the Warranty period of machinery expired before their installation
- Underutilization and wear & tear of procured items of Revenue component have been observed
- No tagging was done for purpose of identification on the items procured under revenue component which created ambiguity regarding the source of funding i.e. Federal, Provincial, Donor Agency or NGO etc. and it became difficult to decide the duplication of same items procured through different schemes
- Sindh Government 'Not-for-Sale' Stamp was found missing on various Medicines/consumable items procured through various schemes
- Improper budget allocation & release have been observed in most of the schemes which delay the process of implementation and cost of projects/schemes being implemented and lead them towards a lengthy process of revision & re-revision

HEALTH

RECOMMENDATIONS

- Proper planning, supervision & accountability should be ensured by the E/A i.e. concerned XEN/AEN/Sub-engineer
- Timely provision of all relevant documents regarding the Scheme should be ensured by the E/A & A.D, so that the Monitoring and Evaluation Functions are conducted smoothly
- The health department should ensure proper budget allocation & releases to avoid any unwanted delay in the implementation of schemes & un-necessary increase in cost & revision of schemes
- Improvement in quality & pace of construction work is required in order to complete the project within stipulated time span
- Proper tagging & Timely procurement of revenue component should be done by E/A to ensure smooth & timely healthcare service delivery to the people of Sindh

IRRIGATION

FINDINGS

- The schemes executed by Irrigation department during the FY 2020-21 included feasibility studies of various projects, Schemes for Lining of Canals, Distributaries/Minors, Construction of stone pitching, Rehabilitation and installation of gates at Regulators, Strengthening of Embankments of Bunds, and construction of small dams in the rural areas
- The total cost of executed works through Irrigation Department portfolio was Rs. 104403.117 million
- The total schemes visited by MEC team were 70. Among these, reports of 69% Schemes were declared Satisfactory, whereas 31% of the schemes were declared Unsatisfactory
- The major issues during the monitoring included cracks in panels at lining work, gaps/voids in stone pitching work, poor quality of executed work due to poor workmanship, improper earth filling/backfilling along walls, slow pace of work etc. During MEC visits, mostly the concerned XEN was found reluctant to join MEC visits, so lower-tier officials were unable to respond well to the queries of MEC team
- Non-availability of technical staff on part of administrative department as well as of Contractor and Consultants side was a major issue that resulted in poor quality of work with lesser life than the design life of the project. MEC team faced the issue of unavailability of project data/documents at the site. This created ambiguity and caused difficulty in verifying the quantum of work & the parameters as specified in drawings and the quantities that are paid to contractors. It should be made mandatory for the irrigation officer to come at the site with all the relevant documents

RECOMMENDATIONS

- There should be a series of national and international trainings for the capacity building of Officers and officials of the Irrigation department so that they can better plan, monitor and evaluate schemes in future.
- Water losses control mechanism and equity in the distribution of irrigation water in growers can make the system sustainable
- Officers of Irrigation department should bring all relevant documents of the project including drawings, laboratory test reports of material in use, PC-1, Measurement books and cross-sections etc. at site at the time of MEC visit
- Administrative Department should avoid frequent transfers of Executing and supervisory staff from project site so that posted officer can focus on project activities without any pressure of being transferred elsewhere
- All necessary tests and procedures must be adopted at site to ensure quality works
- Work Plan/Work Scheduling should be kept in practice to complete the project on time
- The XEN concerned and AXEN should closely monitor the work and check the quality of work during execution of work at site

LIVESTOCK & FISHERIES

FINDINGS

- During the year 2020-21, Livestock & Fisheries Department executed various schemes aimed at improving overall department capacity and capabilities. Many umbrella schemes were also launched to achieve the target
- Under the M&E regime, the issues that were observed in the execution of Capital Component of the schemes included poor quality of work, which was observed on various schemes. Other issues included Unskilled Labor, material of below standard quality being used and slow pace of work. It was observed that few of the schemes have been left abandoned by the Executing Agency and no follow-up on the scheme has been taken by the concerned authorities. On many occasions, the pace of work on many schemes is found to lag behind financial progress
- On account of Revenue Component, it is imperative to mention here that, lack of planning on part of EA and AD was observed on few schemes. For a few schemes, the Revenue component of the scheme has been procured whereas no significant progress on the Capital component of the scheme was observed due to which revenue items were found placed idle at the stores premises. It was observed that no tagging of the revenue items had been performed due to which traceability of Plant & Machinery is difficult. Various schemes could not achieve the project objectives of PC-1 due to thin allocation and releases

RECOMMENDATIONS

- The department should focus on the completion of the existing abandoned schemes as per the PC-I scope and timeline
- The department should improve the quality of work as well as workmanship
- The department should ensure that experienced workforce is deputed and good quality material should be procured to ensure quality as per mentioned standards
- It is also recommended to improve planning and strategy making process between EA and AD to use the revenue items effectively and efficiently
- The department should ensure timely flow of funds so that the work does not suffer and also ensure that procurement of required items shall be made according to SPPRA rules and within stipulated timeframe
- For future projects it should be ensured that the physical progress should be at par with Financial Progress
- It is therefore recommended that documentation shall be made available to Monitors well before the time of visit so as to thoroughly check the project parameters

LOCAL GOVERNMENT & MEGA SCHEMES

FINDINGS

- The schemes executed by Local Government Department mainly included the rehabilitation and up-gradation of basic infrastructure facilities for the public use. Facilities include construction/rehabilitation/up-gradation of Roads, Building, Infrastructure i.e. Water Supply & Sewerage, Communal & Health Facilities
- In financial year 2020-21, total of 40 schemes were visited by MEC Department. Out of 40 Schemes, the work on 27 Schemes i.e., 67.5% was declared satisfactory, while on 11 Schemes i.e. 27.5% was declared as unsatisfactory and 1 scheme was marked as 'Worst' and the remaining 1 report is the inquiry report for the preparation of PC-I. Out of 27 Satisfactory schemes, 04 were in compliance of previous Un-Satisfactory Schemes, while no compliance of 11 Un-satisfactory & 1 worst was received from the department
- The major issues encountered during the monitoring of schemes were that there is lack of planning in design and execution of roads and drainage schemes. Proper infrastructure was not provided to accommodate the sewerage and stormwater separately as most of the time sewerage and stormwater flows either in sewerage or drainage network resulting in choking or overflowing of system during peak discharge or rainy reason. Furthermore, appropriate slope was not maintained in the execution of road to smoothly drain the water. Due to improper drainage, water got stagnant which resulted in deterioration and complete failure of roads (from topmost Asphalt Layer till Embankment)
- Another main issue was inadequate allocation and releases of funds by the department which delays completion of the scheme . By the time scheme gets to completion, initial work gets deteriorated and there is no proper SOPs for the repair and maintenance. Majority of the schemes were revised due to unrealistic/approximate estimate by department at the time of preparation of PC-I. Other issues included Lack of supervision by field staff during the execution phase, frequent transfer and posting of project managers i.e. Project Director or Executive Engineer, NHA/PWD/SHERE/WHO specifications not being followed properly in execution and testing of material (i.e. soil classification & gradation, bitumen quality test, field density test, compaction test, Pressure testing of pipe, strength test of concrete & steel)
- The KW&SB, within Local Government Department, did not cooperate with the MEC Team, didn't provide any scheme related documents and didn't accompany/facilitate the MEC Team for the field visit

LOCAL GOVERNMENT & MEGA SCHEMES

FINDINGS

- On various ADP schemes, Executing Agency (Local Government Department) had not provided complete documentation to M&E Cell. In few schemes, it was observed while reviewing the measurement book that Overpayments and Advance Payments were made to the contractor

RECOMMENDATIONS

- EA should ensure proper sewerage and drainage network flow alongside the road. Sewerage and drainage network must be separately planned, designed and executed
- The EA should improve the quality of work, workmanship to meet the prescribed specification & standard and ensure that material should be procured from vendor and quarry
- The EA should conduct and provide M&E Cell with detailed Material Testing Reports
- The EA should avoid making overpayment to contractor
- The department should ensure timely flow of fund so that the work does not suffer and ensure that procurement of required items shall be made according to SPPRA rules and within stipulated timeframe
- The department should ensure that experienced work force is deputed, and good quality material should be procured to ensure quality as per mentioned standards
- On many schemes, the pace of work was found to lag behind the financial progress. E/A should ensure that the physical progress shall be at par with Financial Progress
- Monitoring teams have also mentioned that, on several occasions, complete project documentation is not provided to monitor the on-time document specific checks. It is therefore recommended that documentation shall be made available to Monitors well before the time of visit so as to thoroughly check the project parameters

SPORTS & YOUTH AFFAIRS

FINDINGS

- A total of 20 schemes were visited by MEC in FY 2020-21. Out of 20 Schemes, the quality of work on 16 Schemes were declared satisfactory; whereas, 04 Schemes were declared unsatisfactory
- The major issues observed during the monitoring of schemes were - Inferior quality of formwork and average quality of concrete work, Delay in release of funds in some schemes & Partial/late/no delivery of documents from Executive Agency to MEC

RECOMMENDATIONS

- Keeping in view the social & cultural importance of the schemes, department should have to expedite vigilance of the schemes on a regular basis so that the intended objectives would be achieved within the required time frame
- EA should improve the quality of workmanship and concrete work at the site to avoid honeycombing
- In the light of study/survey, priority should be given to those areas/components, which are vulnerable, and need immediate attention
- Payments may be done as per work done at the site after due verification of quantities by the concerned XEN
- Smooth funding as per the allocation from the source is necessary and should be released as per the allocation
- E/A should provide all the necessary documents as indicated in the official visit letter by the MEC team
- E/A should ensure proper maintenance of completed buildings

WORKS & SERVICES

FINDINGS

- Works & Services department executes capital component (i.e. construction of building and infrastructure) of many other administrative departments like Culture, Home, Health, livestock & fisheries etc. However, Works & Services as Administrative Department mainly executes schemes intended at construction of various new roads and bridges. Several widening/ reconditioning/ improvement of road schemes were also launched and executed. Moreover, scheme involving dualization of roads were also included and executed
- In financial year 2018-19, a total of 95 schemes were visited by MEC Department. Out of 95 Schemes visited, work on 60 Schemes i.e. 63% was declared satisfactory, while on 04 Schemes i.e. 04% work was declared as 'average' and the work on remaining 31 schemes i.e. 33% was declared unsatisfactory. Out of 31 Un-Satisfactory schemes, compliance of 24 schemes were received from department after rectification of issues highlighted during the field visit, while compliance of 07 schemes was pending. Similarly, in financial year 2019-20, total of 90 schemes were visited, work on 64 Schemes i.e. 71% was declared satisfactory, while work on remaining 26 Schemes i.e. 29% was declared as unsatisfactory. Compliance of 11 schemes were received from department after rectification while compliance of 15 schemes was pending
- The major issues encountered during the monitoring of schemes were that topographic survey and data was not taken in consideration in alignment of new road and designing of culverts and bridges for the smooth flow of rain water without deteriorating the road surface. This created rain cuts or the stretch of road completely drain off with water flow. It was further observed that fish pounds, agricultural land and water-channel were also flowing along the road and mostly provision of the embankment protection was not given in PC-I, resulting in deterioration of embankment layers and eventually the complete drain-off of the bottom layer
- The other main issues are inadequate allocation and release of funds by the department which delays the completion of scheme. Initial work gets deteriorated and there is no proper SOPs for the repair and maintenance. Majority of the schemes were revised due to unrealistic/approximate estimate by department at the time of preparation of PC-I, Lack of supervision by field staff during the execution phase, frequent transfer and posting of project managers i.e. Project Director or Executive Engineer, NHA/PWD/SHERE/WHO specifications were not followed properly in execution and testing of material (i.e. soil classification & gradation, bitumen quality test, field density test, compaction test, Pressure testing of pipe, strength test of concrete & steel) were totally missing

WORKS & SERVICES

FINDINGS

- There were instances where Executing Agency had not provided complete documentation to M&E Cell. In few schemes, it was observed while reviewing the measurement book that Overpayments and Advance Payments were made to the contractor

RECOMMENDATIONS

- Topographic Survey should be conducted, or existing topographic survey data should be utilized in alignment of new road and designing of culverts and bridges
- Provision of Embankment protection should be given in PC-I wherever required
- The EA should improve the quality of work, workmanship to meet the prescribed specification and standard and ensure that material should be procured from vendor and quarry.
- The EA should conduct and provide M&E Cell with detail Material Testing Reports
- The EA should avoid making overpayment to contractor.
- The department should ensure timely flow of fund so that the work does not suffer and ensure that procurement of required items shall be made according to SPPRA rules and within stipulated timeframe
- The department should ensure that experienced work force is deputed, and good quality material shall be procured to ensure quality as per mentioned standards
- On many schemes, the pace of work was found to lag behind financial progress. E/A should ensure that the physical progress shall be at par with Financial Progress
- Monitoring teams have also mentioned that on several occasions complete project documentation is not provided to monitor the on-time document specific checks. It is therefore recommended that documentation shall be made available to Monitors well before the time of visit so as to thoroughly check the project parameters

WAY FORWARD

STRATEGIC PLAN

- Capacitate the M&E Cell for prompt publishing of monitoring reports. Steps have been taken to reduce the processing time between the monitoring visit & publication of reports
- Improve the coverage of monitoring by augmenting human resources and physical presence. Divisional level presence to be increased by establishing regional offices at each Division. Subsequently, the presence will be enhanced at the district level by establishing district offices
- Equip all the relevant Officers with the required technology to ensure robust monitoring and reporting
- Incorporate advanced ICT practices for more transparent, paperless, accurate and live reporting with the help of Smart-Phones, Drones, Satellite and other latest technology.
- Initiate Third-Party Monitoring of development schemes of Provincial ADP by engaging / hiring professional & technical firms through competitive / approved process to further improve credibility
- Increase coordination via coherent framework with all line departments & stakeholders to achieve better results by using digital systems
- Upgrade, integrate and merge existing FILMS monitoring system with ADP Progress Monitoring Dashboard and deploy Dashboard in all the departments of Government of Sindh
- Establish a centralized system / software i.e. ADP Information Management System (AiMS) and Unique Identification (UID) Number Mechanism along with Quick Response (QR) code, which enables the issuance of UID & QR code of each Provincial ADP Scheme to facilitate tracking of updated status, data and complete history of each scheme
- Establish a Data Recovery (DR) site at Hyderabad region office of MEC as a contingency plan to recover and restore its technology infrastructure and operations if and when its primary data center falters
