DISCLAIMER (MEC ANNUAL REPORT 2021-22)

Every effort has been made to cross-check and verify the authenticity of the data. All data and statistics used are correct as of FY 2021-22. The status of monitored schemes has been updated for the corresponding financial year and may be changed after the defined period.

Please note that the level of analysis for this report is centered on units monitored during FY 21-22. In other words, development schemes that are implemented in different geographical locations are counted as separate units while monitoring. Hence, the term 'scheme' is used synonymously as units even where one scheme has multiple units. Monitoring reports that were published have been included in the corresponding financial year. There might be some monitoring reports that were visited in preceding years but have been included in the subsequent financial year(s) as per the date of being published.

This report does not contain references to third parties, neither does the report endorse any such third parties or their product/services nor is the report sponsored, endorsed or associated with such third parties.

FOREWORD

CHAIRMAN, P&D BOARD

As the custodian of the Annual Development Plan (ADP) of the Government of Sindh, it is absolutely imperative for the Planning & Development Department to employ rigorous monitoring & evaluation mechanisms to oversee the progress of development schemes. The Monitoring & Evaluation Cell was established under the P&DD to ensure the satisfactory execution of the financial and physical progress of development schemes and to adopt timely course-correction methods for schemes that do not meet satisfactory levels.

It is vitalizing to see that Monitoring & Evaluation Cell (MEC) is evolving as an independent and robust monitoring body to ensure that the public sector development portfolio in the province is effectively utilized. MEC's primary responsibility is proactively monitoring the development portfolio with real-time reporting on key performance indicators of the schemes for timely rectification measures and course-correction.

This report provides a corpus of consolidated information on the overall monitoring activities undertaken by MEC during 2021-22 which demonstrates out and

out the commitment of the P&D Department to ensure that the development funds are effectively and efficiently utilized to quantifiably uplift the living standards & lives of people of the province. MEC Officials possess adequate technical expertise which is a prerequisite for a dynamic assessment and the analysis of the financial and physical progress of a diverse portfolio of projects.

I acknowledge, MEC for their laudable monitoring efforts and commendable ICT initiatives to consistently improve their monitoring operations and add robustness to the systems. This is evident by the tech features contributed by the MEC team like the QR-code and Unique Identification mechanism for each ADP scheme & digitization of ADP Budget Book Volume-V through which all stakeholders including the general public of the province can review the progress & quality status of each project through a single click. I wish, this vital organ of P&D Department continues on the path of incremental progress by harnessing modern monitoring & evaluation mechanisms and leveraging technological solutions. Finally, I would like to see MEC as a proactive organization that contributes significantly to improve public service delivery vis-à-vis vigorous monitoring & evaluation across all development schemes undertaken by the Government of Sindh.

SYED HASSAN NAQVI

PREFACE

DIRECTOR GENERAL (MEC)

Over the years, Monitoring & Evaluation Cell has endeavored to transform into a dynamic organization with robust monitoring & evaluation systems to provide oversight to the ongoing development schemes. Over the period, MEC has striven to amplify the effectiveness of monitoring initiatives in order to achieve the desired outcomes in terms of effective utilization of public sector funds translating into improved service delivery.

As Director General, Monitoring & Evaluation Cell, I am gratified to unveil the Annual Report of MEC for the fiscal year 2021-22. With a renewed commitment to continue excellence, the leaflets of this report holds the consolidated efforts and accomplishments of the M&E Cell in terms of pro-active monitoring & evaluation of a significant portion of the development portfolio of the Government of Sindh, including the ongoing schemes in remote and far-flung areas.

With real-time reporting via smartphones, installation of UID and QR code mechanism, automation of ADP Budget Book Volume-V, end-to-end process automation, and a centralized progress monitoring dashboard, MEC has strengthened its Monitoring and Evaluation system by harnessing technological solutions. Fully-functional and active regional offices at Karachi, Hyderabad, Sukkur, and Larkana have the capacity & capability to monitor the progress of a significant number of provincial & district ADP schemes. With the establishment of an oversight committee, an additional check has been added to the organizations to function as a robust internal quality filter.

I would like to acknowledge all the regional field monitoring offices of MEC, MIS Directorate, and other associated officers for their rejuvenated efforts to accomplish the intended objectives of the organization.

This publication is a compendium of meaningful insights, observations, and analysis vis-à-vis a significant portfolio of the Sindh Annual Development Plan FY 2021-22.

EXECUTIVE SUMMARY

This report presents the consolidated overview and analysis of the operations and achievements of the Monitoring & Evaluation Cell (MEC), Planning & Development Department (Government of Sindh) during the fiscal year 2021-22. The overarching focus of this report is to collate and communicate the field monitoring observations of the ongoing development schemes undertaken by MEC. The observations and analysis of field monitoring visits are recorded and communicated electronically from our indigenously-built decision support software FiLMS (Files Management System). The monitoring & evaluation results are juxtaposed with the financial data of the Finance Department. MEC has evolved over time to develop robust Monitoring & Evaluation systems to ensure quality management, to keep a watch on the progress of development schemes, and to proactively alert where interventions are required by the decision taking authorities. The benefits of rigorous monitoring are not restricted to the government as the ultimate beneficiaries of improved public sector service delivery are targeted communities in specific and the people of Sindh in general. The MEC team has worked diligently over time to ensure a dynamic feedback loop with the Administrative Departments to help rectify problems identified during monitoring for improved effectiveness & efficiency in their respective development works. Ultimately, course-correction measures would help to amplify the positive impact of the development schemes and projects.

MEC is proactively utilizing the ADP Progress Monitoring Dashboard, established with World Bank support, to closely monitor the progress of all the development schemes and to digitize the PC-I archives of development schemes for the electronic record. Similarly, an Oversight Committee was also constituted by DG-MEC to ensure an additional layer of internal monitoring for quality control. MEC is also working with USAID's Pakistan Capacity Development Service (PCDS) team for the digitalization of P&DD for end-to-end automation of planning processes. For FY 2021-22, the Provincial ADP comprised 3,315 schemes (1645 ongoing and 1670 new). Out of the total monitoring reports published during the year, the percentage of satisfactory schemes was 76% and for unsatisfactory schemes, it was 24%. The response rate for compliance from the line departments for unsatisfactory reports was 49%.

With robust monitoring & evaluation system and streamlined processes, the MEC team hopes to continually augment its technical and functional capacity in order to ensure that key performance indicators of the major schemes and projects are rigorously analyzed. With real-time monitoring and reporting, competent authorities can make timely informed decisions. The overarching aim is to develop an eco-system of evidence-based planning and strategy formulations.

OVERVIEW

ORGANIZATIONAL

Improve Public Sector Development Service Delivery Outcomes for Amplified Societal Impact

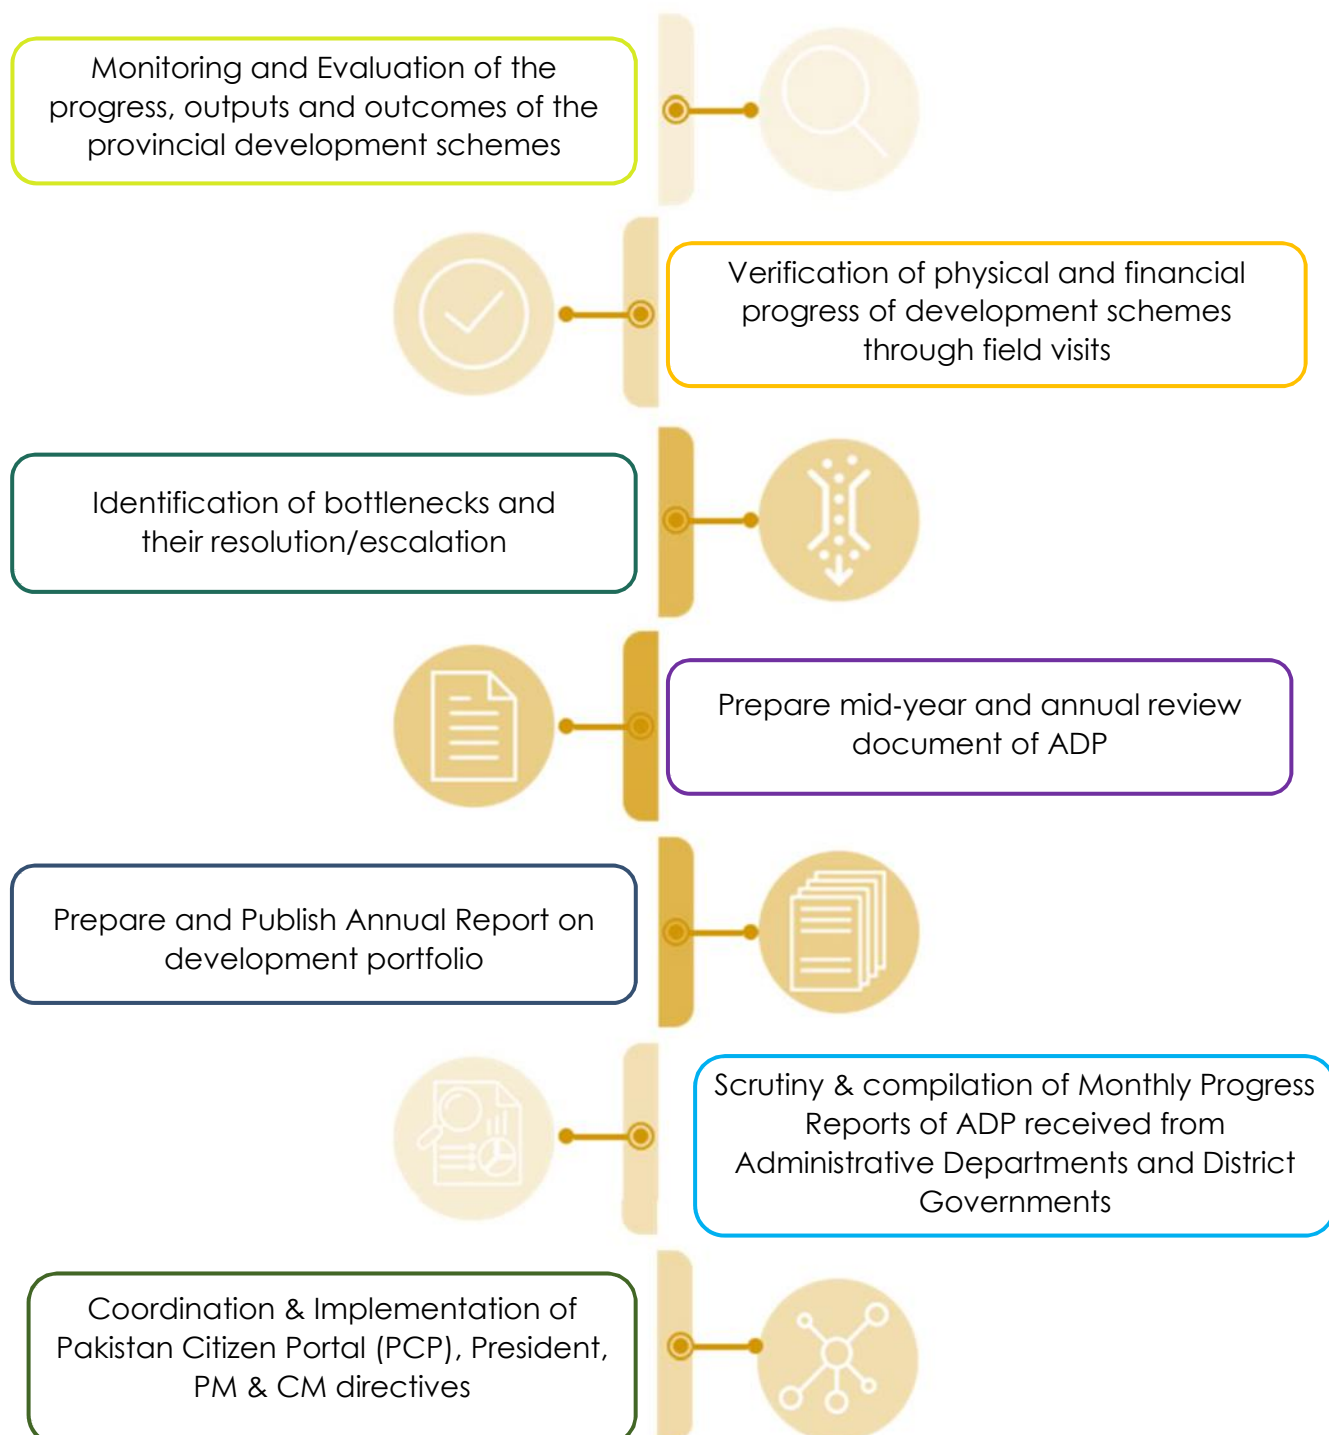

Ensuring rigorous monitoring and evaluation of public sector development schemes for improved service delivery with the following objectives

- *To ensure that the Standards of Quality are maintained in development projects*
- *To keep a regular track of the progress of schemes*
- *To enable timely & informed decisions through efficient reporting*
- *To promote and enhance institutional learning and knowledge through the instant availability of chronological indicators*
- *To coordinate with various authorities for smooth and unhindered implementation*

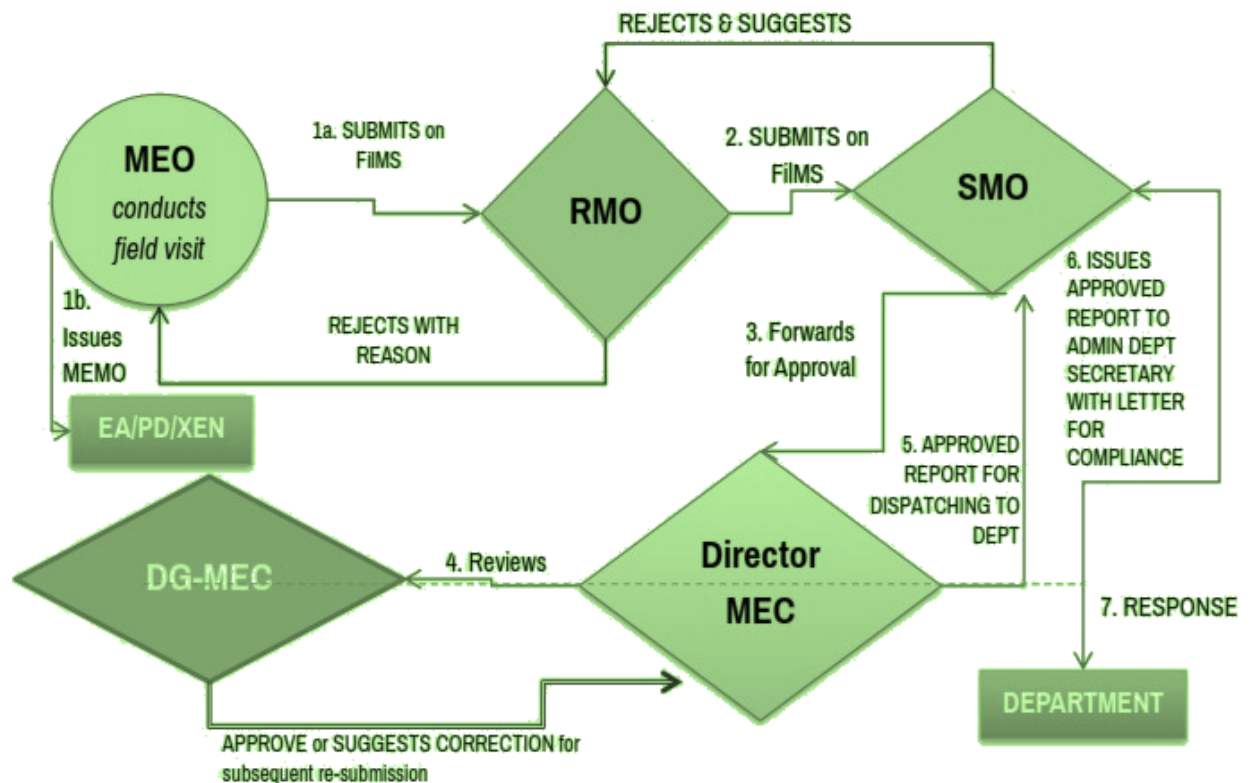

CORE VALUES

FUNCTIONS

ADP PROGRESS DASHBOARD (WORKFLOW)

MEC has several quality filters to ensure that the automated and paperless monitoring system is transparent. File Management System (FILMS) is an indigenously-built bespoke system that ensures efficient monitoring, reporting, and evaluation of development schemes.

The monitoring & Evaluation Officer (MEO) submits the report after the monitoring visit to the Regional Monitoring & Evaluation Officer (RMEO) who ensures that all the technical requirements pertaining to the monitoring visit are addressed. RMEO intimates the relevant Sector Monitoring & Evaluation Officer (SMEO) for validation of the report for the requisite compliance standards. SMEO then submits the validated reports to the Director for final vetting before submission to the Director-General for approval and issuance of a letter to the relevant Line Department for compliance vis-à-vis the monitoring report findings.

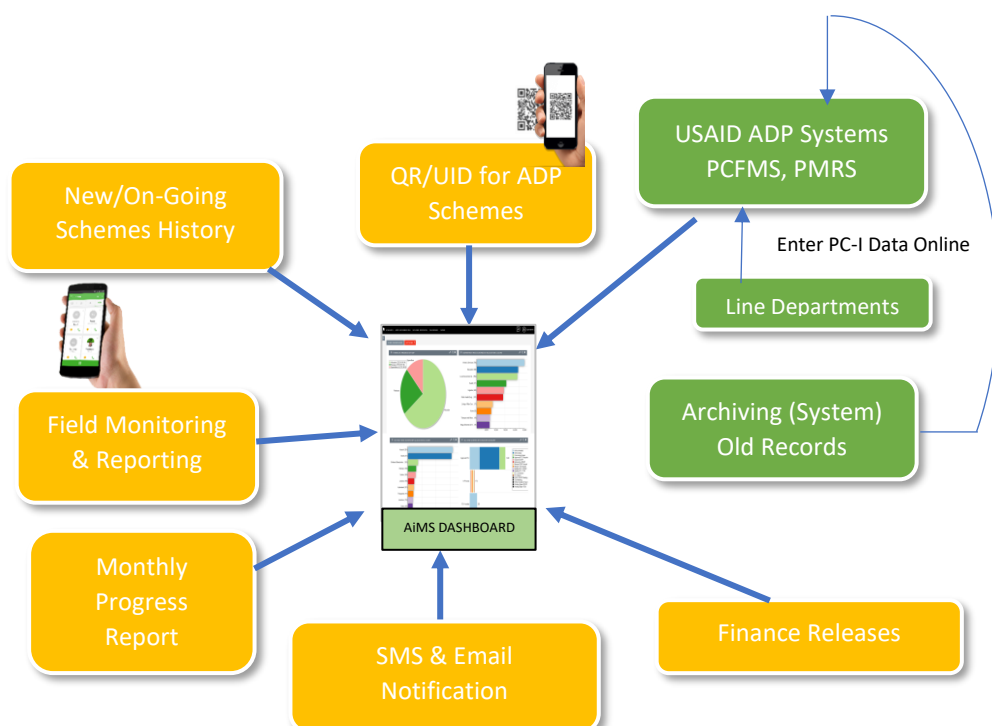

INTEGRATION

ADP Information Management System (AiMS) Dashboard is an electronic system for holistic monitoring of the Provincial ADP portfolio with integration of financial and physical progress of the ongoing development schemes with relevant disaggregated indicators and an overlay of geo-spatial mapping.

OBJECTIVE

To provide an online holistic view of the ADP portfolio by presenting information on:

1. GIS Maps with pin-pointed location of the development schemes
2. Financial progress as reported by FD/FABS
3. Physical progress reporting from the field by the line department and MEC
4. Monthly Progress and Issuance of UID
5. Conducting TCM and PDWP meetings
6. Analytical and Summarized Reports

UNIFIED REPORTING

The dashboard integrates and consolidates data from various sources.

1. Integration with existing paperless workflow automation system of MEC (FiMS) with quality detailed reports
2. Weekly fetching of data from Finance Department
3. Weekly reports of approved and unapproved ADP schemes analysis & Reporting
4. QR support to adopt new technology and schedule TCM/PDWP meetings
5. Every scheme will have a unique ID to enable tracking throughout the life of the project

ANALYSIS AND VISUALIZATION

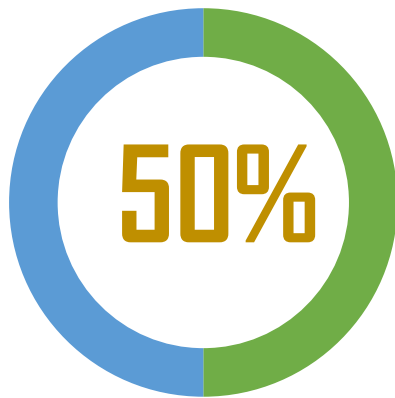

1. Data visualization in Grids/Charts with filters on multiple fields;
2. One click + real time access to information on the web through a simple log in;
3. Data input from Android smartphones from field is reflected in real-time in on-screen visual and tabular analytical reports
4. Department wise and District/Division wise reporting
5. Comparative Analysis of financial, physical and location-based data.

SMARTPHONE APPLICATION

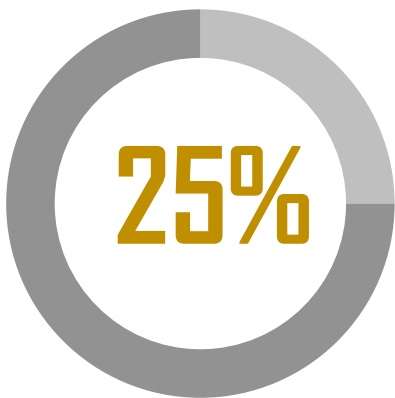

Previously, the key information required on frequent basis from MEC field monitors was submitted through an online web-based system called FiMS that included information on financial outlays, key issues faced and status of projects (satisfactory/unsatisfactory) acquired through field visits.

Now, the Smartphone App of the ADP Progress Monitoring Dashboard allows MEC monitoring officers to submit this key information on a real time basis through their Smartphone from the field with their geo-tagged location with pictures to report physical progress and inform of any issues/obstacles along with other details.

MEC MONITORING PLAN

Routine Visits

LTBC/SI Visits

Compliance Visits

MEC is responsible for active monitoring and rigorous evaluation of ADP schemes executed by various departments working for the Government of Sindh. MEC's robust monitoring mechanism is manifested through its overall visit plan that comprises 50% routine visits, 25% visits to ADP schemes that are Likely to be Completed (LTBC)/Special Initiatives in the corresponding financial year, and 25% compliance visits to the schemes with previously unsatisfactory status.

The three main categories of monitoring visits include First Visits, Revisits, and Visits for Compliance. In simple terms, the MEC team visits a cohort of schemes every financial year out of which a subset of schemes is revisited.

It is worth mentioning that revisits are also done for schemes that are termed 'satisfactory' to ascertain if the satisfactory status of those schemes is maintained over time. For schemes that are termed 'unsatisfactory', the MEC team issues compliance notices to make sure that the issues are promptly rectified.

Once the Department submits para-wise replies to indicate compliance with the issues raised by the MEC team, the 'compliance' monitoring visit is conducted to ensure that the submitted replies have been implemented on the ground too. These quality filters ensure that the Departments guarantee timely compliance to improve the financial and physical progress of the ongoing ADP schemes

ADP PORTFOLIO

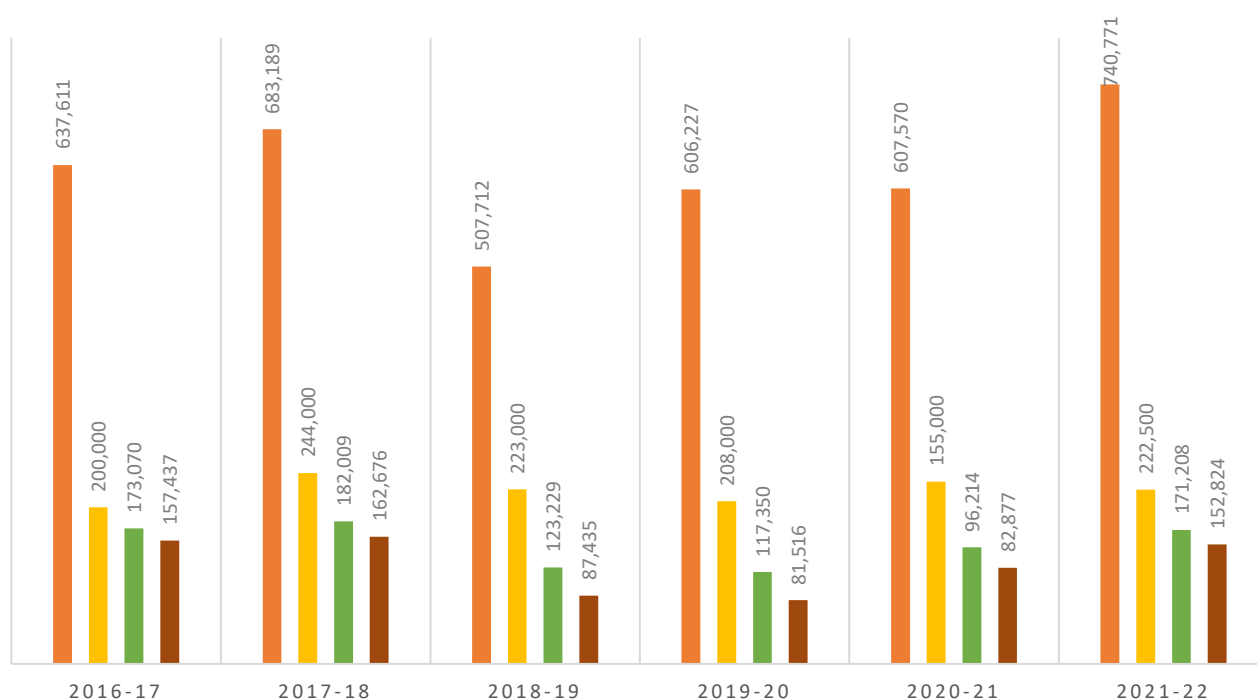

FINANCIAL TREND ANALYSIS OF PROVINCIAL ADP

In the post-devolution context, Government of Sindh has been progressively increasing the size of its development portfolio to undertake a series of initiatives for the province. The focus of these initiatives has been to achieve a balanced growth of infrastructure, production and social sectors for equitable development.

Rs. million

ADP	ON-GOING SCHEMES	NEW SCHEMES	TOTAL SCHEMES	THROW-FORWARD	ALLOCATION	RELEASES	EXPENDITURE	UTILIZATION %
2016-17	1,776	995	2,773	637,611	200,000	173,070	157,437	91
2017-18	2,158	816	2,974	683,189	244,000	182,009	162,676	89
2018-19	2,226	25	2,251	507,712	223,000	123,229	87,435	70
2019-20	1,853	852	2,705	606,227	208,000	117,350	81,516	69
2020-21	2,069	177	2,246	607,570	155,000	96,214	82,877	86
2021-22	1,645	1,670	3,315	740,771	222,500	171,208	152,824	89

The last 6-year period of Provincial ADP shows that quantum of total development schemes has increased from 2773 in FY 2016-17 to 3315 schemes in FY 2021-22. The size of Provincial ADP Portfolio has increased in terms of allocations from Rs. 200 billion in FY 2016-17 to about Rs. 223 billion in FY 2021-22. Throw-Forward as of June, 2016 was Rs. 637 billion; making the ratio of throw-forward to total allocation in FY 2016-17 equal to 3.2:1. Throw-Forward as of June, 2021 was Rs. 741 billion; making the ratio of throw-forward to total allocation in FY 2021-22 equal to 3.3:1.

The size of Provincial ADP for FY 2021-22 was about Rs. 223 billion. The ADP portfolio comprised of 3315 Schemes (1645 Ongoing and 1670 New Schemes). The overall development portfolio also included allocations of Rs. 30 billion for District ADP, Federal Grants of Rs. 5.3 Billion and Foreign Project Assistance of Rs. 71.1 billion. The total development outlay for FY 2021-22 amounted upto the tune of Rs. Rs. 329 billion.

In terms of ADP allocations, the priority departments are Works & Services, Education, Local Government, Health Irrigation, Public Health Engineering and Lining of Main canals.

The Works & Services department has received the highest allocation in FY 2021-22 and was recorded at Rs. 30.0 billion out of the total ADP portfolio of Rs. 223 billion. This accounts for about 9.11% of the Total Provincial ADP outlay.

The prioritization of Education sector is also reflected in the Provincial ADP of FY 2021-22 with allocations of about Rs. 26.0 billion. This adds up to Rs. 56.0 billion which is almost 25.11% of the Provincial ADP portfolio. Earmarking significant allocations for priority sectors reflects the resolve and commitment of the provincial government towards balanced growth and equitable development of the province.

ADP ALLOCATION IN FY 2021-22

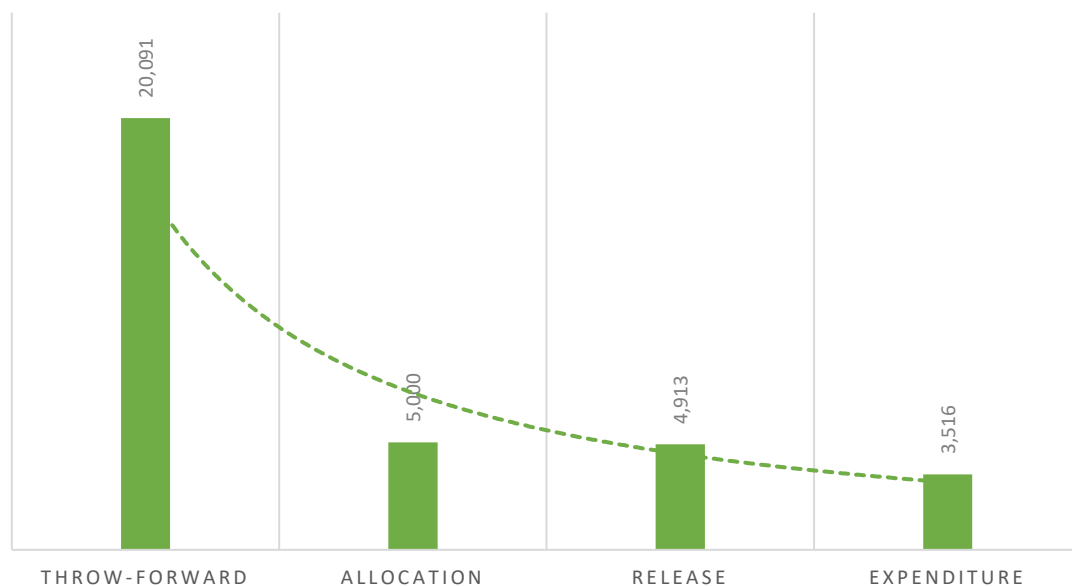

DEVELOPMENT

OVERVIEW

AGRICULTURE

Agriculture is the backbone of the economy of Pakistan and Sindh contributes due share in agriculture sector of the country. The primary domain of the Agriculture, Supply & Prices Department of GoS is to transform Sindh's agriculture sector into a competitive, productive and sustainable segment of the economy with modern agricultural practices and technology. Throw-Forward for the department as of June, 2021 was Rs. 20,091 million with Rs. 5,000 million allocated FY 2021-22. This translates into a throw-forward to allocation ratio of 4:1. The Financial releases were Rs. 4,913 million of which Rs.3,516 million were utilized to complete the developmental schemes for the year. 13 schemes were monitored for the Agriculture Department with 15 monitoring visits.

PUBLIC HEALTH ENGINEERING & RURAL DEVELOPMENT

The Public Health Engineering & Rural Development Department works on designing, planning and executing water supply and drainage schemes in urban and rural areas of Sindh. Throw-Forward for the department as of June, 2021 was Rs. 39,628 million with Rs. 16,500 million allocated for FY 2021-22. This translates into a throw-forward to allocation ratio of 2.4:1. The releases were recorded at Rs.11,942 million out of which Rs. 9,996 million were utilized. 63 schemes of PHE & RD Department were monitored with 68 monitoring visits.

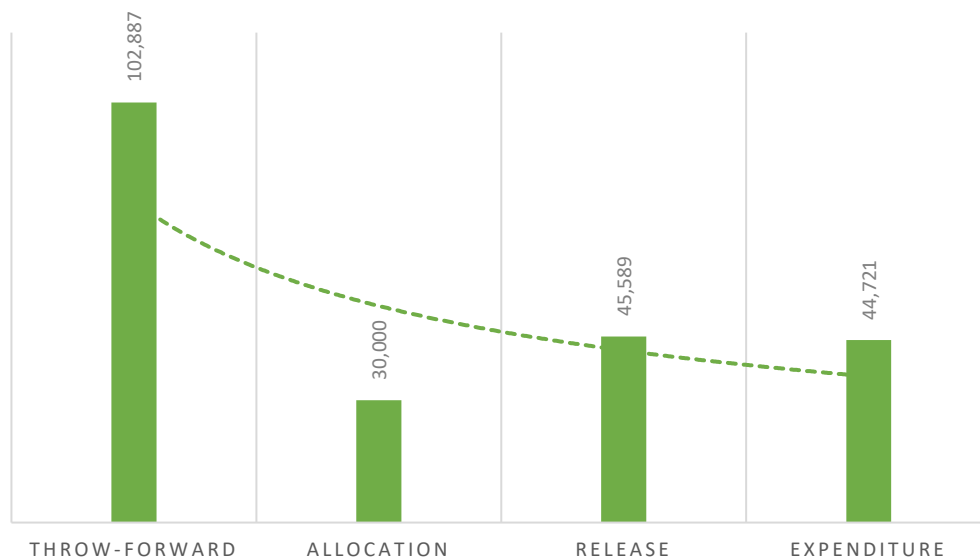

Monitoring Status

WORKS & SERVICES

Works & Services department is directly responsible for development initiatives that are concerned with development works such as roads, bridges and other related infrastructural initiatives of the province. Throw-Forward for the department as of June, 2021 was Rs. 102,887 million with Rs. 30,000 million allocated for FY 2021-22. This translates into a throw-forward to allocation ratio of 3.4:1. The financial releases were Rs. 45,589 million out of which the expenditures incurred were 44,721 million. 108 schemes of Works & Services Department were monitored with 124 monitoring visits.

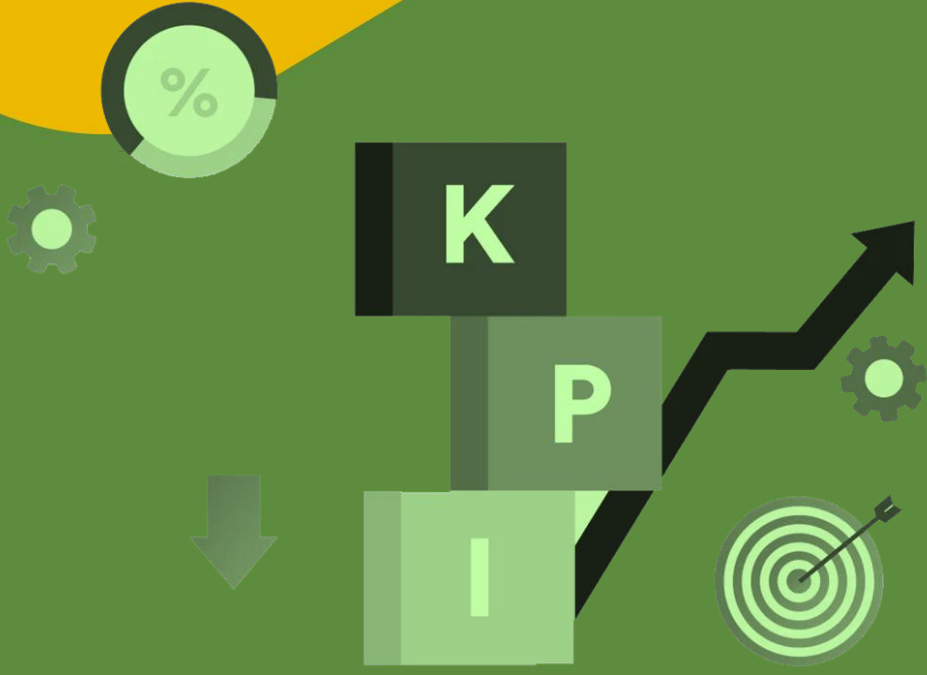

Monitoring Status

KEY PERFORMANCE INDICATORS

MONITORING PROGRESS

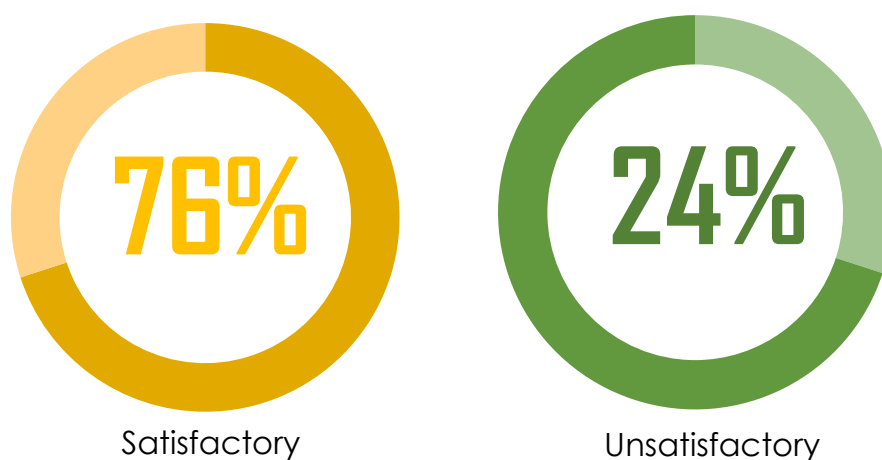

MEC made a total of 592 field monitoring visits to the 493 schemes during FY 2021-22. This essentially meant revisiting several schemes to track monitoring during the execution phase, ensure compliance of unsatisfactory observations and improvement in the progress indicators. Out of the 592 visits, 387 visits were found satisfactory (65%) and 205 visits were found unsatisfactory (35%). Number of compliances received was 100 (49% of unsatisfactory visits).

Monitoring Visits Status

STATUS OF SCHEMES MONITORED FY 2021-22

MEC Team monitored 493 schemes during FY 2021-22, out of which 377 schemes (76%) were found satisfactory and 116 schemes (24%) were found unsatisfactory.

TOTAL		592	387	65	205	35	100	49

In terms of the Line Departments with respect to monitoring, MEC focused on ten prioritized Departments which accounted for 78% (384 out of 493 schemes) of total schemes monitored and 76% (449 out of 592 visits) of the total monitoring visits (including fresh visits, re-visits and compliance visits)

The prioritized departments included Education & Literacy Department and MEC monitored 55 schemes of Education during FY 2021-22 with 64 total monitoring visits. Out of 55 schemes, 43 (78%) were found to be satisfactory while 12 schemes (22%) were found unsatisfactory. Out of the 64 monitoring visits, 44 visits were satisfactory (69%) and 20 were unsatisfactory (31%).

MEC visited 29 development schemes of Health Department during FY 2021-22 with 39 total monitoring visits. Out of 29 schemes, 18 (62%) were found to be satisfactory and 11 schemes (38%) were found to be unsatisfactory. Out of the 39 monitoring visits, 19 visits were satisfactory (49%) and 20 were unsatisfactory (51%).

Visits to Works & Services Department comprised of 108 monitored schemes during FY 2021-22 with 124 total monitoring visits. Out of 108 schemes, 80 (74%) were found to be satisfactory and 28 schemes (26%) were found to be unsatisfactory. Out of the 124 monitoring visits, 81 visits were satisfactory (65%) and 43 were unsatisfactory (35%).

Monitoring visits to Public Health Engineering Department comprised of 61 monitored schemes during FY 2021-22 with 66 total monitoring visits. Out of 61 schemes, 48 (79%) were found to be satisfactory and 13 schemes (21%) were found to be unsatisfactory. Out of the 66 monitoring visits, 48 visits were satisfactory (73%) and 18 were unsatisfactory (27%).

MEC monitored 23 schemes of Forest, Wildlife & CDA Department during FY 2021-22 with 25 total monitoring visits. Out of 23 schemes, 22 (96%) were found to be satisfactory and 01 schemes (4%) found to be unsatisfactory. Out of the 25 monitoring visits, 23 visit were satisfactory (92%) and 02 were unsatisfactory (8%).

Visits to Irrigation Department comprised of 30 monitored schemes during FY 2021-22 with 37 total monitoring visits. Out of 30 schemes, 24 (80%) were found to be satisfactory and 6 schemes (20%) were found to be unsatisfactory. Out of the 37 monitoring visits, 24 visits were satisfactory (65%) and 13 were unsatisfactory (35%).

Monitoring of schemes of Livestock & Fisheries Department comprised of 10 monitored schemes during FY 2021-22 with 12 total monitoring visits. Out of 10 schemes, 05 (50%) were found to be satisfactory and 05 schemes (50%) were found to be unsatisfactory. Out of the 12 monitoring visits, 06 visits were satisfactory (50%) and 06 were unsatisfactory (50%).

In case of Law, Parliamentary Affairs and Criminal Prosecution Department visits comprised of 12 schemes monitored during FY 2021-22 with 14 total monitoring visits. Out of 12 schemes, 09 (75%) were found to be satisfactory and 03 schemes (25%) were found to be unsatisfactory. Out of the 14 monitoring visits, 09 visits were satisfactory (64%) and 05 were unsatisfactory (36%).

MEC team's visit to the schemes of Local Government Department comprised of 43 schemes during FY 2021-22 with 53 total monitoring visits. Out of 43 schemes, 36 (84%) were found to be satisfactory and 07 schemes (16%) were found to be unsatisfactory. Out of the 53 monitoring visits, 38 visits were satisfactory (72%) and 15 were unsatisfactory (28%).

Visits to the schemes of Agriculture Department comprised of 13 schemes monitored during FY 2021-22 with 15 total monitoring visits. Out of 13 schemes, 11 (85%) were found to be satisfactory and 2 schemes (15%) were found to be unsatisfactory. Out of the 15 monitoring visits, 12 visits were satisfactory (80%) and 3 were unsatisfactory (20%).

DEPARTMENTAL PERFORMANCE

MEC team made 592 monitoring visits to 493 ongoing schemes in FY 2021-22 to determine whether the scheme has been satisfactory or unsatisfactory in terms of financial and physical progress. Overall, 377 schemes (76%) were termed satisfactory and 116 schemes (24%) were found unsatisfactory. The M&E Cell working under P&DD schedule the visit plan on monthly basis which is approved a week before the following month. MEC team starts collecting data from the executing agencies and prepare the plan accordingly, liaison with the concerned engineers and project directors. With the use of experienced team and modern equipment, MEC strive hard to achieve their objective to provide factual position of development schemes helping heads of administrative departments and other government agencies to take corrective measures to improve the public sector delivery.

The following graph illustrates the performance of the Line Departments in terms of the relative proportion of schemes termed satisfactory and unsatisfactory.

Departmental Performance Pyramid (%)

MONITORING BY REGIONAL OFFICES

Disaggregating the monitoring visits and schemes monitored by region illustrates interesting findings about the regional progress of development schemes.

In Karachi Region, MEC Team monitored 100 schemes with 122 monitoring visits. Out of the 100 schemes monitored, 75 were found to be satisfactory (75 %) and 25 schemes were found unsatisfactory (25%). Out of the 122 monitoring visits, 76 visits were found satisfactory (62.3%) and 46 visits were unsatisfactory (37.7%).

Monitoring Summary of Region-Wise Schemes in FY 2021-22			
Region	Schemes	Satisfactory	Unsatisfactory
Hyderabad	173	142	31
Sukkur	124	98	26
Karachi	100	75	25
Larkana	96	62	34
Total	493	377	116

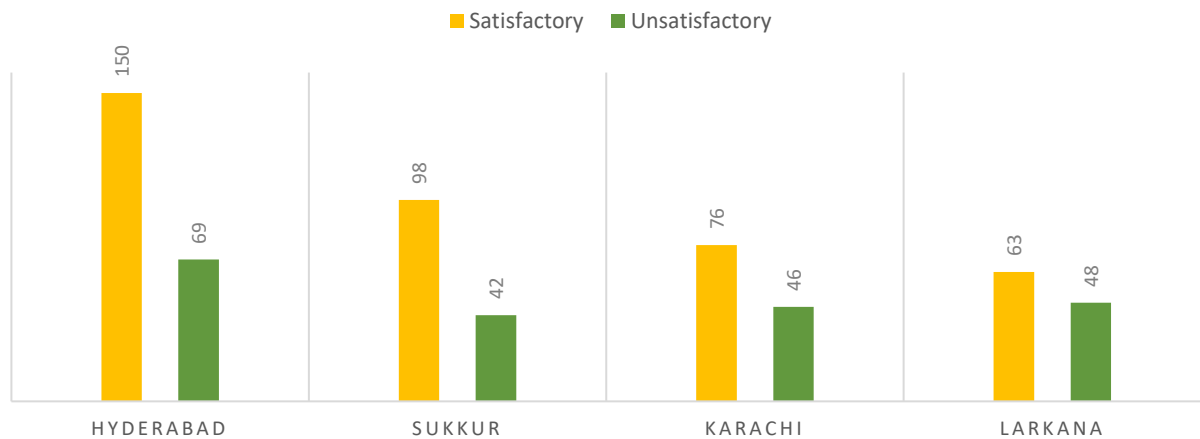

In Hyderabad Region, MEC Team monitored 173 schemes with 219 monitoring visits. Out of the 173 schemes monitored, 142 were found to be satisfactory (82%) and 31 schemes were found unsatisfactory (18%). Out of the 219 monitoring visits, 150 visits were found satisfactory (68.5%) and 69 visits were unsatisfactory (31.5%).

In Larkana Region, MEC Team monitored 96 schemes with 111 monitoring visits. Out of the 96 schemes monitored, 62 were found to be satisfactory (64.6%) and 34 schemes were found unsatisfactory (35.4%). Out of the 111 monitoring visits, 63 visits were found satisfactory (56.8%) and 48 visits were unsatisfactory (43.2%).

In Sukkur Region, MEC Team monitored 124 schemes with 140 monitoring visits. Out of the 124 schemes monitored, 98 were found to be satisfactory (79%) and 26 schemes were found unsatisfactory (21%). Out of the 140 monitoring visits, 98 visits were found satisfactory (70%) and 42 visits were unsatisfactory (30%).

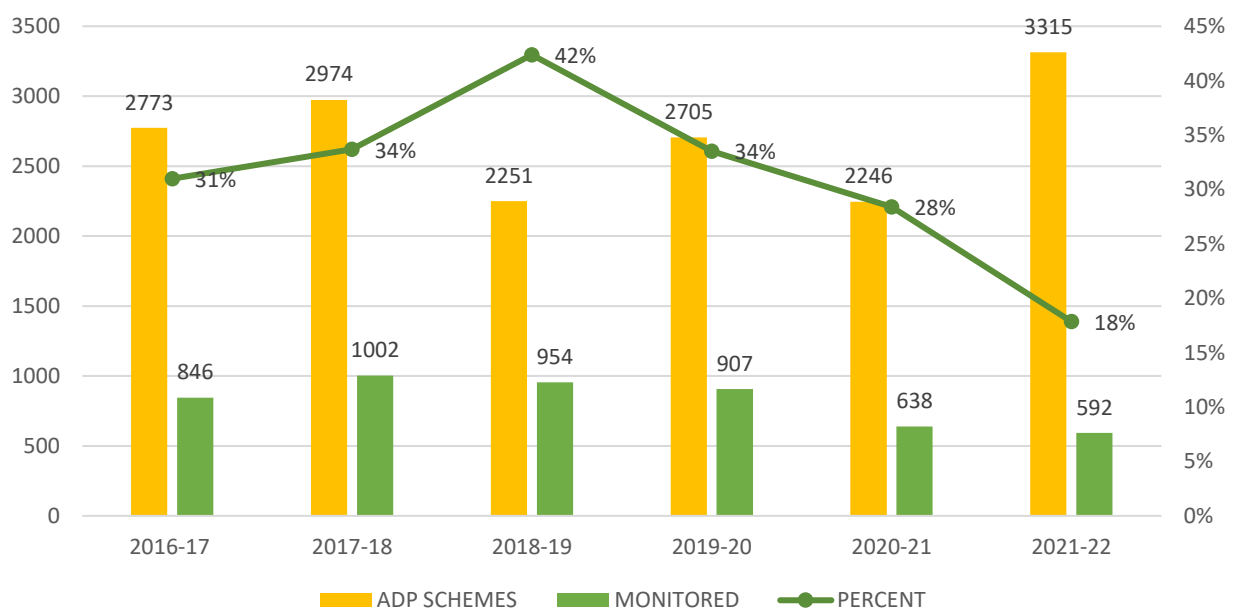

Regional Monitoring Visits in FY 2021-22			
Region	Total	Satisfactory	Unsatisfactory
Hyderabad	219	150	69
Sukkur	140	98	42
Karachi	122	76	46
Larkana	111	63	48
Total	592	387	205

REGIONAL MONITORING VISITS

FIELD MONITORING OVER THE YEARS

MEC Team visited a total of 493 schemes during FY 2021-22 with several re-visits for a number of schemes. The total number of monitoring visits accumulated to 592. The total ADP portfolio for FY 2021-22 comprised of 3315 schemes with 1645 ongoing and 1670 new schemes. The graph below illustrates the field monitoring trend over the years in relation to the total ADP portfolio for the corresponding year.

KEY

RESULT INDICATORS

RESPONSES RECEIVED FROM LINE DEPARTMENTS

MEC Team proactively pursued monitoring of 493 schemes along various Line Departments with a total of 592 monitoring visits. This reflected the commitment to ensure quality control for development schemes, especially those termed unsatisfactory.

Top 10 Departmental Response Against Compliance	Response %
Cooperative, GOS	100
Food, GOS	67
Energy, GOS	63
Auqaf, GOS	57
Information & Archives, GOS	50
Population Welfare, GOS	43
Minorities & Affairs, GOS	38
Culture, GOS	33
Excise & Taxation, GOS	33
S.G.A.and Coordination, GOS	30

In terms of response received from the corresponding department against the compliance sent for unsatisfactory status, almost 21 of total 27 departments complied and rectified the issues in the time prescribed.

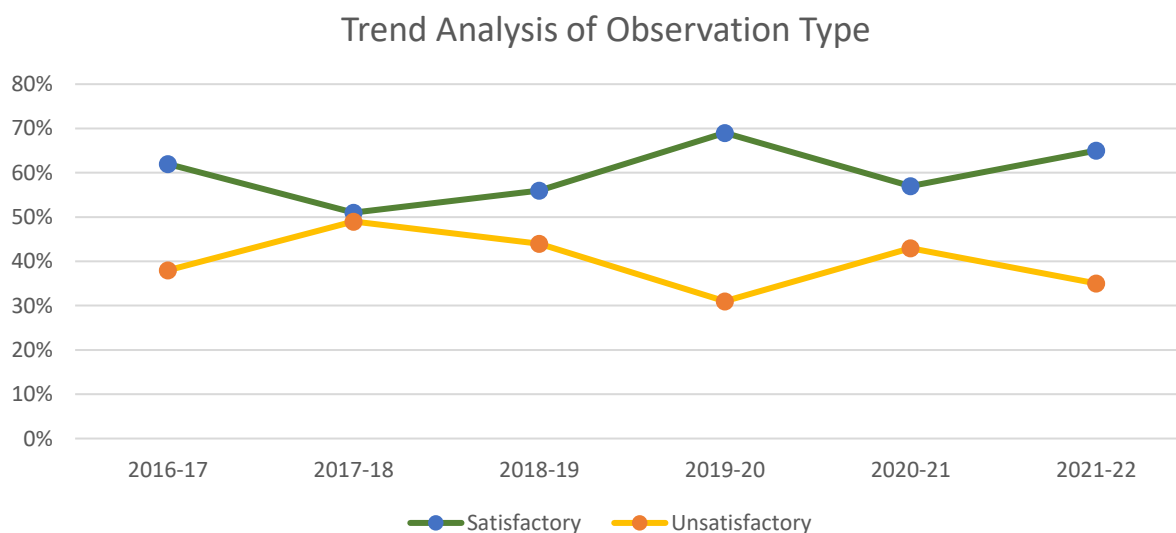

However, 06 departments failed to comply against the feedbacks generated by MEC for unsatisfactory performance.

While 11 Departments performed fairly (i.e. partial compliance) against the feedbacks generated by the MEC for unsatisfactory performance of the respective schemes.

TREND ANALYSIS OF OBSERVATION TYPE

With a total of 592 monitoring visits for 493 development schemes for FY 2021-22, MEC has ensured that repeated monitoring visits translate into improved financial and physical progress indicators over time. It is evident that repeated visits over the same schemes have considerably improved their quality. This is reflected in the fact that out of 592 monitoring visits, 387 visits were found to be satisfactory (65%) and 205 visits were found to be unsatisfactory (35%). However, the ultimate status of the 493 monitored schemes demonstrate that 377 schemes were termed satisfactory (76%) and 116 schemes remained unsatisfactory (24%). This essentially means that continuous monitoring and repeated visits helped improve the quality of schemes considerably.

Status	2016-17	2017-18	2018-19	2019-20	2020-21	2021-22
Satisfactory	62%	51%	56%	69%	57%	65%
Unsatisfactory	38%	49%	44%	31%	43%	35%

Note: Before FY 2018-19, the categories of observation type included Average, Satisfactory and Unsatisfactory status. However, FY 2018-19 onwards, the "average" observation type is now considered unsatisfactory. Hence, now the observation type only includes two broad categories of satisfactory and unsatisfactory status.

FINDINGS & RECOMMENDATIONS

AGRICULTURE, SUPPLY & PRICE

GENERAL FINDINGS

- Out of total schemes of Agriculture department visited by MEC Team, 80% met the criteria of satisfaction.
- It was observed that objectives such as improvement of watercourses to minimize conveyance losses and improving the efficiency, reliability and equity of irrigation water have been addressed by the department
- The farmers are getting the useful information related to modern farming techniques through agriculture information dissemination programmers and “farmer field days” trainings
- The department has procured machinery and equipment such as tractors, implements etc. and the units handed over to sub stations were found functional

RECOMMENDATIONS

- Management of water resources in the project areas through micro-irrigation and other improved water management practices should be given more importance to facilitate the underprivileged areas for better outcome of the government projects
- Useful information sessions with the community must be conducted more frequently so that farmers community may get hands on experience to modern techniques
- The department has been advised to ensure equitable distribution of machinery and equipment as the farmers may get subsidized and nominal rental rate of machinery and maximum benefit from government projects

CULTURE TOURISM AND ANTIQUITIES

GENERAL FINDINGS

During FY 2021-22, 15 development schemes of Culture department have been visited by Monitoring & Evaluation Cell, Planning Development Department Govt of Sindh, out of which the quality of work on 07 Schemes i.e. 47% was found satisfactory, whereas on 08 Schemes i.e. 53% quality of work was unsatisfactory

RECOMMENDATIONS

- E/A should discourage the practices of Advance payment, change of scope without prior approval of competent authority / forum
- Executing Agency should take due efforts for timely completion of schemes, as it has been observed that due to delay in completion of schemes cost escalation factor arise leading administrative department to get into revision of schemes causing loss to government exchequer
- Keeping in view the social & cultural importance of the schemes, department itself should be vigilant to monitor the schemes on regular basis so that the designed objectives would be achieved within the targeted time frame
- In all restoration and conservation work, it must be ensured that any material used must be free from impurities
- Restoration and conservation work should be done with special care to avoid any sort of damage to old structure and without affecting the originality of the archeological sites
- In the light of study / survey, priority should be given to those areas / components, which are vulnerable, and needs immediate attention while preparing and finalizing development portfolio
- E/A should hire the technical project staff as per PC-I to avoid compromising quality of work at site

EDUCATION

GENERAL FINDINGS

Education sector is categorized into three different departments i.e. School Education, College Education, Universities/Boards & Technical Education. MEC, P&D Department, Govt of Sindh visited 64 schemes of education sector during FY 2021-22

Out of 64 Schemes the quality of work on 44 Schemes i.e. 69% was found satisfactory, whereas on 20 Schemes i.e. 31% quality of work was found unsatisfactory. The major issues observed during the monitoring was non-cooperation of E/A at the field regarding provision of project related data especially about revenue component which create ambiguity in verification of procurement process & purchase of furniture etc

On Capital side following deficiencies have been observed: (i) Inferior quality of form work, (ii) Honeycombing in structure work, (iii) Unevenness in plaster work (iv) non-provision of clear cover in RCC work (v) Unevenness in tile / marble flooring work (vi) Unnecessary rich specification work in face lifting (vii) Inferior quality of electric wiring fitting and fixtures, water supply and sanitary fixtures (viii) Deviation in scope of PC-1 and (ix) Non functionality of various completed buildings/units

RECOMMENDATIONS

- Keeping in view the social significance of the education schemes, department should procure revenue items within time
- Executing agency should improve the quality of work and avoid deviation of scope of work from PC-1
- Department should operationalize the completed buildings/units in best interests of public
- Vibrator & spacer should be used to avoid honeycombing in building works & RCC

University of Arts and
Design at Sukkur

HEALTH

GENERAL FINDINGS

- MEC conducted 39 visits of Health Department and found 19 schemes satisfactory i.e 49% while 20 schemes were unsatisfactory i.e 51%
- Some of the development projects under Health portfolio were executed by Works & Services department (Buildings) while rest of schemes were executed by the department itself by appointing Project Director. The department keeps on switching E/A among them causing ownership issues of projects and mismanagement in the record keeping that results in difficulties to obtain project related data/documents
- On Capital side following deficiencies have been observed: (i) Non-provision of clear cover in RCC work (ii) Inferior quality of form work and electric wiring fitting and fixtures, water supply and sanitary fixtures (iii) Honeycombing in structure work, (iv) Unevenness in plaster work and tile / marble flooring work (v) Deviation in scope of PC-1 and (vi) Non functionality of various completed buildings/units
- Despite completion of project buildings/units revenue items and SNE are not procured/processed causing delay in operationalizing of health facilities and deterioration of infrastructure
- Generally, revenue related documentation is not provided to MEC team which creates ambiguities in verification of expenditure
- No test reports were provided in almost every project

RECOMMENDATIONS

- The health department being the sponsoring agency and administrative department should closely coordinate with W&S department and Project Director to ensure that development works are carried out as per approved scope/PC-I
- Transparency must be ensured by Administrative Department especially in the procurement of revenue component
- A/D should avoid switching of E/A for smooth execution & completion of development works with proper record keeping

Anti-Snake Venom
Sakrand

IRRIGATION

GENERAL FINDINGS

- MEC conducted 37 visits of Schemes of Irrigation Department and found 24 schemes satisfactory i.e 65% while 13 schemes were unsatisfactory i.e 35%
- In Unsatisfactory schemes, MEC team observed poor quality of executed work due to poor workmanship and lack of supervision by E/A
- Most of the visited schemes lagged behind their completion schedule due to slow pace of work
- During monitoring visits, it has been observed that most of the time concerned XEN did not accompany MEC team without any valid reason instead lower-tier officials like Sub Engineers accompanied Regional Monitoring Officer and these officials were found incapable to respond well to the queries of MEC teams
- E/A officials were avoiding to provide scheme related data /documents on time particularly the measurement book of concerned schemes. Due to insufficient project records MEC teams faced difficulty in verifying the quantities of work done on site against the financial progress of scheme
- Relevant Tests were not performed to ensure the suitability of the material being used by E/A
- Some of the pumping machines installed in pumping stations found non-functional at the time of visit of MEC team due to non-availability of source of electricity/generator
- Dressing, leveling and compaction of earth filling was not done properly
- Slopes of the banks and berms were not maintained properly
- Stone pitching found disturbed in some locations due to improper interlocking
- Filter materials were not provided in the stone pitching as gaps/voids were observed
- Profile, alignment and slope of stone pitching was not maintained properly
- Cracks observed in the concrete panels of lined canals
- Concrete panels were found less than designed thickness

IRRIGATION

RECOMMENDATIONS

- Administrative Department should direct their officers (preferably officer of BPS-18) to accompany MEC team for inspection of development schemes as per scheduled date and provide relevant documents as required by MEC Team at least one week before schedule of monitoring visit
- E/A technical staff should make more effort for better planning, execution and supervision of ADP schemes to achieve desired results
- All necessary tests and procedures must be adopted at site to ensure execution of good quality & quantity of works
- E/A Technical staff should focus and control the occurrence of most repeated defects as identified by Field teams of MEC like improper leveling and dressing of earth work, poor compaction of earth work, short widths of embankments, gaps in stone pitching work, non-provision of ADP scheme documents, poor ratio of concrete in RCC/CC works, honey combing in RCC works
- The E/A should conduct Material Testing Report and provide the record to MEC team at the time of visit

LOCAL GOVERNMENT

GENERAL FINDINGS

Local Government Department comprises of following autonomous bodies to execute development works in Karachi i) KMC ii) DMCs iii) KW&SB iv) KDA v) MDA vi) LDA vii) SSWMB viii) Karachi Mega Projects and other Project Directorates like Click. However, in rest of the Sindh following autonomous bodies contribute in execution of development works i) HMC ii) HDA iii) WASA iv) SMC v) LMC vi) Sehwan Development Authority vii) Larkana Development Authority, Project Directorates and other Local Councils across the province of Sindh. In certain circumstances Works & Services department also provide execution support in development work under portfolio of Local Government Department

In financial year 2021-22, total of 53 schemes of Local Government department were visited by MEC. Out of 53 Schemes, the work on 38 Schemes i.e., 66.67% was found satisfactory, while on 15 Schemes i.e., 33.33% was unsatisfactory

The major issues encountered during the monitoring of local government schemes were i) lack of planning in design and execution of various infrastructure schemes ii) Lack of proper layout and connectivity of infrastructure, as per approved in PC-I iii) Layout of utilities i.e., PTCL, water & sewerage services, electricity services were not as per standard practices. Most of the time sewerage and storm water drains either in sewerage or drainage network were found choked resulting in overflow of system during peak discharge or rainy reason. Furthermore, appropriate slope was not maintained in execution of road to smoothly drain the water. Due to improper drainage system, water get stagnant on roads which results in deterioration and complete failure of infrastructure (from topmost Asphalt Layer to Embankment)

Due to multiple execution agencies, it has been observed that overlapping of development works is frequent in this department which cause difficulty in monitoring and retrieving record of schemes. MEC team found hard to identify and trace the exact executing agency for fixing the responsibility of deficiency in development work

LOCAL GOVERNMENT

RECOMMENDATIONS

1. Proper layout of utilities i.e., PTCL, water, sewerage and storm water drain must be planned in design phase of the scheme as per standard. Sewerage and drainage network must be separately planned, designed and executed
2. The Administrative Department should properly designate the executing agency at the time of approval of PC-I and establish a mechanism to avoid duplication of work and mismanagement of record keeping
3. E/A should ensure maintaining the quality of work, assigning the workmanship to meet the prescribed specification and standard and ensure that material should be procured from pre-qualified vendor and approved quarry
4. The EA should ensure proper testing during execution and result of tests performed must be shared with MEC
5. The EA should avoid practices of Advance Payment to contractor without valid justification and Contractor bill must be properly securitize so that no over payments are made
6. The department shall ensure procurement of required items are made according to SPPRA rules and within stipulated timeframe
7. E/A shall ensure that the physical progress is aligned with Financial Progress
8. Administrative department shall make sure that documentations are made available to Monitoring Team well before the visit allowing them to thoroughly check the project parameters and direct E/A to depute an officer (Not below BS-18) to accompany MEC team during visit of the scheme

SPORTS & YOUTH AFFAIRS

GENERAL FINDINGS

Sports & Youth Affairs Department executed various schemes in FY 2021-22, generally aimed at Promoting sports/healthy activities and to prepare much needed infrastructure of sports facilities for general public in their neighbourhood. It is the need of the hour that the general public of the province be given the sports facility on permanent basis in their cities / areas

A total of number of 19 schemes were visited by MEC in FY 2021-22. Out of 19 Schemes the quality of work on 16 Schemes i.e. 84% was found satisfactory, whereas 03 Schemes i.e. 16% were unsatisfactory

The major issues observed during the monitoring of schemes were, Inferior quality of form work and average quality of concrete work, non provision of project documents to the MEC team prior visit by the executing agency

RECOMMENDATIONS

- Keeping in view the social & cultural importance of the schemes, department should increase the pace of execution of development works and ensure completion of schemes within planned time frame
- E/A should improve the quality of workmanship and concrete work at site to avoid honeycombing and deterioration of infrastructure under completion phase. Moreover, quality of formwork should be enhanced with the use of plywood
- In the light of study / survey, priority should be given to those areas/components, which are deprived of sports facilities while selection of ADP portfolio
- Payments may be done as per work done at site after due verification of quantities by the concerned XEN
- E/A should provide all necessary documents as indicated in the official visit letter by the MEC team
- E/A should ensure proper maintenance of completed buildings and make them functional for the consumption of general public

WORKS & SERVICES

GENERAL FINDINGS

Works & Services Department, comprises of two integral parts: Highways & Buildings where as during FY 2021-22, a total of 124 schemes were visited by MEC. Out of 124 Schemes, 81 Schemes i.e. 65% were found satisfactory, while the work on remaining 43 schemes i.e. 35% was found unsatisfactory. Out of 43 Un-Satisfactory schemes, compliance of 16 schemes were received from department after rectification of issues highlighted during the field visit

ROADS

- In designing phase, geometric improvement in entire road design is found missing for vertical curves and super elevation
- In earth work embankment it is mostly observed that standards of layer wise compaction in subgrade & subbase are not maintained causing settlement of roads
- In execution, compaction factor is mostly missing, stone gradation is not maintained as use of oversize stone, lime stone, porous stone is generally observed in executed road work
- In TST or asphalt work the ratio of bitumen is insufficient and also the quality of the bitumen is questionable
- The thickness of asphaltic layer for carpeting is often found compromised, the source of bitumen is not from specified refinery, undulation and rating on the surface of the road ultimately affects the designed life of the road. The camber of black top is not maintained properly causing accumulation of water on the road especially in the rainy season
- Leveling, dressing and compaction of shoulders is found deficient and also width of shoulder is mostly compromised. The trimming of side slope is not witnessed at site
- It is generally observed that construction of culverts is not as per site requirements reflecting that the prior survey was not conducted to check proper contours

BUILDINGS

- It is generally observed that E/A has exceeded plinth area without approval of competent authority/forum resulting increase in overall cost of the project
- Mostly selection of site is found inappropriate, often located in depressions and water logged areas
- It is observed that cc blocks (specially in Karachi) are not procured from appropriate vendor/manufacture
- Old, B-class formwork and scaffolding is mostly used in RCC construction work

Commissioner Club South

DC Office South

Korangi Courts

WORKS & SERVICES

GENERAL FINDINGS

- Furthermore, following deficiencies have been observed:
(i) Honeycombing and bleeding in structure work, (ii) Unevenness in plaster work (iii) non-provision of clear cover in RCC work (iv) Unevenness in tile / marble flooring work (v) Inferior quality of electric wiring fitting and fixtures, water supply and sanitary fixtures and (vi) Deviation in scope of PC-I

RECOMMENDATIONS

- The concerned XEN and AEN should closely monitor the construction work and frequently check its quality/ quantity during execution of work at site
- Frequent, quality checks should be conducted during the construction work to ensure the use of high-quality raw materials. The contractors should also be made aware of the consequences of using low-quality raw materials
- Topographic Survey should be conducted, or existing topographic survey data should be utilized in alignment of new road and designing of culverts and bridges
- The EA should improve the quality of work, workmanship to meet the prescribed specification and standards to ensure that material should be procured from vendor and approved quarry
- The EA should conduct standard Material Testings and Reports should be provided to MEC Team
- The E/A should strictly avoid making overpayment/advance payments to contractors
- The department should ensure procurement of required items is made according to SPPRA rules and within stipulated timeframe
- E/A should ensure that the physical progress should align with Financial Progress
- E/A officers should be directed to accompany the MEC team to conduct each monitoring visit strictly as per scheduled date
- E/A should ensure addressing the observation/findings of MEC team during execution of work

WAY

FORWARD

WAY FORWARD

- Digitization & Development of a Monthly Progress Report (MPR) System to increase timely submission of the scheme progress integrated with QR system
- Implementation of a USAID based PC-I automation system Planning Commission Forms Management System (PCFMS)
- Hiring of Monitoring Supervisors for monitoring in all provincial districts
- Presence of M&EC to be increased at Divisional level by establishing regional offices at each Division of Sindh Province, subsequently it will be further enhanced at District level
- Transfer of Completed Development Schemes i.e. Establishment of Regional Offices of Larkana, Karachi and Support for Implementation of World Bank to enhance capacity of MEC to non-development
- Equip all employees with latest technology to adopt new era techniques and monitoring methods meeting international standards through training & development
- Maximize the Evaluation of Completed Schemes
